FEES & FINANCIAL AID

NWF State College tuition and fees are among the lowest in Florida. College financial aid is available. More than \$13 million dollars is awarded to students annually in the form of grants, scholarships, loans or other financial aid. Visit the Financial Aid website at www.nwfsc.edu/financialaid.

Fee payment may be made in person at any college location or through the college website. The college accepts cash, check, and various credit/debit cards. The college also offers a tuition payment plan through Nelnet which allows students to pay fees in installments. Active duty military and their dependents qualify for in-state fees. Military students may use USAF tuition assistance or VA in-service benefits. Alabama residents qualify for in-state fees plus a \$1 border state fee for classes at the freshman and sophomore level. Call NWF State College Financial Aid at (850) 729-5370.

PROGRAMS OF STUDY

Bachelor's Degrees

NWF State College currently offers five bachelor's degree programs:

- **Bachelor of Applied Science (BAS) in Project Management**
This program has areas of specialization in Training & Development/Human Resources, Quality Improvement, Acquisitions, Project Management, Public Service Management, Technology Management or a customized curriculum option
- **Bachelor of Science in Nursing** – a career ladder for current RNs
- **Bachelor of Science in Elementary Education**
- **Bachelor of Science in Middle Grades Math Education**
- **Bachelor of Science in Middle Grades Science Education**

For information on the bachelor's programs offered by the college, see www.nwfsc.edu/bachelor or contact the following bachelor's degree program offices: Bachelor of Applied Science: 729-4900; Bachelor of Science in Education: 729-5322; Bachelor of Science in Nursing: 729-6400.

Associate of Arts

The Associate of Arts (A.A.) degree represents the first two years of a four-year bachelor's degree and prepares students to continue studies at the university level or in any upper division college program such as the Bachelor's degree programs at NWF State College. Through the A.A. program of study, the college offers the necessary prerequisite courses for more than 200 State University System baccalaureate programs. As part of Florida's public higher education system, college courses at NWF State College carry the same course numbers as those offered at the state's universities and are recognized as equivalent. Thus, the college credits earned at NWF State College transfer to meet upper-division prerequisite requirements and the A.A. degree is recognized and welcomed in transfer to universities nationwide.

Associate of Science and Associate of Applied Science

National studies show that eight out of every ten jobs now require training beyond high school, but not necessarily a four-year degree. The A.S. and A.A.S. degrees prepare students for employment in professional, technical and other career fields.

- Accounting Technology
- Architectural Design & Construction Technology
 - Architectural Design/CAD

Adult General Education

NWF State College offers English-as-a-Second-Language, Adult Basic Education, literacy programs, GED preparation and basic skills review. Courses are free of charge to qualified adults age 16 or older. Individuals may enroll at any time during the year. Call 729-5387.

eCampus/Distance Learning

NWF State College offers college credit through various forms of distance learning, including web based and other options. Call 729-6464 or visit <http://ecampus.nwfsc.edu>.

Continuing Education & Professional Development

NWF State College provides specialized training for business and non-profit organizations through the college's Leadership Institute. Call 729-6880. The PRIME Time program offers a variety of non-credit personal enrichment courses. Other continuing education courses and summer programs for youth are also available. Call 729-6085.

Collegiate High School

The Collegiate High School on the Niceville campus allows students in grades 10, 11 and 12 to complete a high school diploma and a college degree at the same time through college-level study at NWF State College. This National Blue Ribbon school is accredited and is free of charge. Call 729-4949 or visit www.nwfcollegiatehigh.org.

Dual Enrollment/Early College

NWF State College participates in the state-wide Dual Enrollment/Early College program. Governed by Florida law, Dual Enrollment/Early College allows qualified high school students to enroll in college-credit courses free of charge while they are still enrolled in their regular high school. Call 729-5205 or visit www.nwfsc.edu/dual.

ROTC (Reserve Officer's Training Corps)

A U.S. Army ROTC program at NWF State College provides outstanding opportunities for military leadership training and scholarships. ROTC courses offered are transferable to other branches of the military and provide the basic component of a 4-year ROTC program. For information call 729-6022 or visit www.nwfsc.edu/ROTC.
