

NORTHWEST FLORIDA STATE COLLEGE  
**Policy Number 6Hx17-3.062**

TITLE	<b>VOCATIONAL EDUCATION</b>
REFERENCE	FS 1001.02(4)(a)
HISTORY	Local Language Revised March, 1989

**FS 1001.02(4)(a)**

(4) The State Board of Education shall:

(a) provide for each community college to offer educational training and service programs designed to meet the needs of both students and the communities served.

\*\*\*\*\*

**Local Language**

Northwest Florida State College, as a designated area vocational school facility, shall assume primary responsibility for services to persons 19 years of age or older and shall actively participate in the establishment and effective continuation of a vocational and adult education coordinating council serving the Northwest Florida State College area.

The President is authorized to approve such enrollments of pupils from grades 10-12 in the public school districts as may be feasible on a space available and eligibility basis upon request from the respective superintendents of the Okaloosa and Walton public schools systems
