Local Language

All pertinent portions of Florida Statutes are hereby adopted and incorporated as an integral part of Section VIII of the Board Policy Manual. In fulfillment of the requirements therein.

The President shall make such recommendations to the Board as are necessary to make the most efficient use of capital outlay funding in correcting and maintaining quality college facilities at Northwest Florida State College.

The President shall be responsible to assure that the organizational pattern of the College makes adequate provisions for assuring proper operation, maintenance, sanitation, and housekeeping of College properties, and that this program has adequate staffing, funding, and fiscal control.

Periodic inspections of the plant and grounds shall be made by College personnel, with a copy of such inspections and corrective actions taken therein, placed on file in the Office of the President.
