

Arnie Hart Juried Student Exhibition Statement of Originality

I certify that all works submitted to the Arnie Hart Juried Student Exhibition are my own original and authentic work, and were created since the last Hart Exhibition under the direction of NWFSC faculty.

Where I used source material created by another artist -- including but not limited to images, ideas, or design elements -- I obtained the necessary permissions and provided acknowledgment.

I have cited all appropriated source material in the titles of my pieces.
