

Metropolis

Kyle Webb

They bleat,
A mass of mannequins.
Mindless meat –
Fish without fins.

Oblivious to life,
Mechanical monotony,
Blind under the knife,
Megalomaniacal society.

Like cows to the slaughter,
Pigs on the wing.
Anarchical Big Brother,
Pharisees, let us sing.

Vanity, lust,
Vacuous minds.
Arrogant power just,
Egg timers wind.

Grazing in the pasture,
Like sides of beef.
Complacent master,
Sheep.
