

## COMMON A.A. TO STATE UNIVERSITY SYSTEM (SUS) TRANSFER PROGRAMS

Through the Associate of Arts (A.A.) degree, OWCC offers preparation for the nearly 200 Florida State University System (SUS) majors listed on pages 66 - 68, and an individual A.A. transfer program plan can be written for you for each of these majors. The following pre-majors represent some of the most common transfer programs for OWCC students receiving an A.A. degree: Business, Computer Science, Elementary Education, Engineering, Health Sciences (i.e. Physical Therapy) and Pharmacy. In addition, the college has an articulation agreement with the Florida A & M University (FAMU) School of Architecture. To assist students, the common prerequisites for these programs have been provided.

It is highly recommended that, in addition to following the common prerequisites listed for each program, students should consult the current catalog from the upper-division university they plan on attending. Some SUS programs have restricted access or are considered a limited access program. Students are responsible for completing the specific requirements of the institution to which they will transfer, as completion of the common prerequisites does not guarantee admission to an upper-division program. In general, restricted access means there are admission requirements in addition to the A.A. degree, and, if those requirements are met, the student will qualify for admission to the program. The additional requirements might include the completion of certain courses, a separate application, an early application date, a minimum grade point average, minimum test scores, auditions and/or portfolios. It is the student's responsibility to learn if a particular major is designated limited access or restricted access at the specific upper-division university to which the student wants to transfer.

**NOTE: Consulting with an OWCC Advisor in the development of your educational plan will minimize problems and greatly enhance the transfer process.**

**OWCC/UWF A.A. to B.A.  
Interdisciplinary Humanities  
University of West Florida  
Bachelor of Arts Degree**

### Interdisciplinary Humanities

The Interdisciplinary Humanities (IH) is a joint effort between the University of West Florida and Okaloosa-Walton Community College. The program may be fully completed at the OWCC Arts Center and leads to a Bachelor's degree in Interdisciplinary Humanities.

This program provides an interdisciplinary and collaborative perspective on the fine and performing arts/humanities emphasizing aspects that unify the arts in culture and society. It is designed for students who would like to gain a well-rounded insight into humanities and the arts. This approach prepares students for a wide and diverse range of career opportunities.

### Degree Plan

Students complete the IH major by developing an individual degree plan tailored to particular interests and areas of emphasis. Developed and completed in consultation with the Interdisciplinary Humanities Director, a degree plan represents a complete, coherent program of study consistent with the goals of the individual student. Plans should include courses outlined in the IH core requirements, IH core electives and sufficient IH electives to provide for grounding in three or more of the Fine and Performing Arts areas. Plans should be developed no later than the first term of study but may be altered by mutual consent at any time afterwards. The student and the IH Director or advisor will periodically review contracts.

### The IH Degree Plan:

Core – 6 semester hours in REL/PHI

1st discipline .....18 semester hours  
2nd discipline .....12 semester hours  
3rd discipline .....9 semester hours  
plus 15 electives

### IH Disciplines:

Anthropology	Dance
Art	History
Communication Arts	Music
English	Philosophy
Environmental Humanities	Religious Studies
Foreign Language	Theatre

### Artistic Ability

Students are expected to have the artistic ability necessary for upper level study in the chosen areas of specialization. As students may enter the program with varied backgrounds, the IH Program Director may identify deficiencies upon the student's entrance into the program. These deficiencies upon the student's entrance into the program may be resolved through private study, additional courses, etc.

**Consult UWF's catalog for specific requirements. For more information call 729-4933.**

*Students may concentrate in a variety of areas in the A.A. to B.A. program including Dance.*
