Your 2014-2015 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that we may ask you to confirm the information you reported on your FAFSA in order to process your eligibility for Federal Student Aid. You must complete and sign this worksheet, attach any required documents and submit the form to the Financial Aid Office. The Financial Aid Office may require further documentation during the verification process to complete and award your financial aid.

C. INSTRUCTIONS FOR TAX RETURN FILERS: Please read to understand your two choices.

1. Using the IRS Data Retrieval Tool in FAFSA on the Web is the preferred way to verify income. If you have not already used the tool, go to FAFSA.gov, log into your FAFSA record, select “Make FAFSA Corrections,” and navigate to the Financial Information section of the form. Follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool to transfer 2013 IRS income tax information into your FAFSA. It takes up to two weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers. If you need more information about when or how to use the IRS Data Retrieval Tool see your financial aid administrator.

□ I have used the IRS Retrieval Tool to transfer 2013 IRS income and tax information into the FAFSA.

2. If you are unable or choose not to use the IRS Data Retrieval Tool in FAFSA on the Web, you will need to submit a 2013 IRS tax return transcript(s) – not photocopies of the income tax return. To obtain an IRS tax return transcript, go to www.IRS.gov and click on the “Get Transcripts of your tax records” link, or call 1-800-908-9946. Make sure to request the “IRS tax return transcript” and not the “IRS tax account transcript.” You will need your Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used on your 2013 IRS tax return filed). It takes up to two weeks for IRS income information to be available for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers. If you are married, and you and your spouse filed separate 2013 tax returns, you must submit tax return transcripts for both you and your spouse.

□ Check here if a 2013 IRS tax return transcript(s) is attached to this worksheet.

Skip Section D if Student (Spouse) have completed a Tax Return for 2013

D. INSTRUCTIONS FOR NON-TAX FILERS: Complete below and provide all W-2 forms. Complete this section if you, the student (and, if married, your spouse) will not file and are not required to file a 2013 income tax return with the IRS.

Student’s Employment Information:

Are you, the student, currently employed?  □ Yes  □ No
If yes, what is your monthly earnings?  $ __________________________

Is your spouse currently employed?  □ Yes  □ No
If yes, what is his/her monthly earnings?  $ __________________________

□ The student (and, if married, the student’s spouse) will not file a tax return and had no income earned from work in 2013.

□ The student (and/or the student’s spouse if married) will not file a tax return and had income earned from work in 2013 is listed below. List every employer even if the employer did not issue an IRS W-2 form. Please provide a separate page with your name and Student ID on the top.
