Your 2015-2016 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that we may ask you to confirm the information you reported on your FAFSA in order to process your eligibility for Federal Student Aid. You must complete and sign this worksheet, attach any required documents and submit the form to the Financial Aid Office. The Financial Aid Office may require further documentation during the verification process to complete and award your financial aid.

Each nontax filer must complete a NWF State College Nontax Filer Verification Form if they are not required to file a 2014 IRS income tax return. Refer to IRS Pub. 17 for clarification if necessary. Complete, sign, and submit this form, along with any applicable documentation, to the FA office. **Incomplete and/or unsigned forms will delay the financial aid process and may result in the student having to find other methods of payment until outstanding issues are resolved.**
