The Associate of Arts Degree is equivalent to the first two years of a bachelor’s degree program and is offered for those students planning to transfer to a four-year institution to complete the last two years of a bachelor’s degree program. The A.A. Degree is awarded upon satisfactory completion of 60 credit hours of general education and college credit electives, attainment of the appropriate minimum grade point averages, CLAST requirements, and completion of all other applicable college graduation requirements, including the Speaking-Across-the-Curriculum and computer literacy requirements.

A.A. Degree students should work closely with a counselor or faculty advisor to select the appropriate courses to meet their degree goals.

**A.A. Degree Requirements**

The A.A. Degree curriculum requires the following.

1. Complete a minimum of 60 college credits per the following distribution.

   A. Complete 36 credit hours of general education courses distributed appropriately across the Communications, Humanities, Social Sciences, Mathematics, and Natural Sciences, and General Education Elective Categories presented on pages 64 & 65.

   B. Complete 24 credit hours of non-occupational college credit electives. (Students should consult with a counselor or advisor to select the electives most appropriate to their intended baccalaureate program.)

2. Meet the minimum grade and writing requirements specified in FAC Rule 6A-10.030 (the “Gordon Rule”):

   - Attain a grade of “C” or higher in each Gordon Rule writing course (any general education course from the Communications or Humanities Categories, and those designated as Gordon Rule in the Social Science Category), whether credits in such courses are earned at OWCC or elsewhere.

   - Complete the 24,000 word Gordon Rule writing requirement; (students who complete 6-7 credits each from the Communications and Humanities Categories, and an additional Gordon Rule Social Science course, will satisfy this requirement).

   - Attain a grade of “C” or higher in each Gordon Rule mathematics course (any course from the Mathematics Category that is used to meet A.A. general education requirements), whether credits in such courses are earned at OWCC or elsewhere.

3. Satisfy the College-Level Academic Skills Test (CLAST) requirements.

4. Complete at least 15 credits at OWCC; (normally, an A.A. Degree seeking student will be required to complete his/her last fifteen credits at OWCC).

5. Maintain minimum GPA standards as specified in the graduation requirements section of this catalog.

6. Meet all general college graduation requirements.

**Custom Designed Associate of Arts Degree Programs.** Students who wish to pursue a planned program of transfer studies customized to meet the requirements of a specific program or upper-division school may request development of a customized A.A. Degree plan by submitting a written request to the Vice President for Instruction. If approved, the student will work with an advisor from the specialty area to develop his/her sequence of courses. Customized plans must accommodate the OWCC general education requirements, as well as all applicable college graduation policies.

**Transferring to a Four-Year College or University within the State of Florida.** OWCC faculty members, counselors and advisors will gladly assist students in achieving a smooth transfer to senior institutions in Florida. Liaison representatives from the respective public institutions in the state are eager to help OWCC. Several of the liaisons make regular visits to campus and will meet directly with students to answer questions. The names of the liaisons and dates of upcoming visits are available in the Office of Enrollment Services. In addition, Common Prerequisite Manuals for the Florida State University System, as well as many university catalogs are available in the Learning Resources Center and the student services areas at each college location.

It is desirable that students transferring to a senior institution plan their program so that common prerequisites can be completed for the upper-division transfer school for their major. It is best for the student to complete the entire two-year degree program prior to transfer, as A.A. graduates who transfer to one of the institutions in the Florida State University System enjoy certain protections under
the statewide articulation agreement. These rights are presented in the “Student Bill of Rights” below.

While OWCC offers the necessary prerequisites for all of the State of Florida University Baccalaureate Programs beginning on page 66, degree plans for the most common A.A. transfer programs and the articulation agreement between OWCC and Florida A & M University (FAMU) pre-architecture program are listed beginning on page 69. Students are encouraged to consult a current catalog from the upper-division school where they plan to transfer in addition to meeting with an OWCC advisor or faculty member to acquire an official program plan of study for their intended major.

Special Foreign Language Requirements for Entry into Upper-Level Florida Universities. Effective August 1, 1990, according to requirements of the Florida Board of Regents, new applicants to any of the state universities must have completed two years of one foreign language in high school, or eight-ten credit hours in one foreign language at the college level. There are two exceptions to this requirement: 1) students who received an A.A. Degree prior to September 1, 1989, or 2) students who enrolled in a program leading to an A.A. Degree prior to August 1, 1989 and maintained continuous enrollment. Students who are not exempt but fail to satisfy the requirement, may be admitted to the university as part of the 5% admissions exceptions group but will be required to complete eight-ten credit hours in one foreign language as a graduation requirement, regardless of the requirements in the student’s major. Students transferring into the Florida SUS without an A.A. Degree or fewer than 60 transferable credits must meet this foreign language requirement before going on to the upper division. OWCC offers the necessary coursework in French, Spanish, and American Sign Language (ASL) to meet the Florida SUS admission requirements.

Student Bill of Rights

Florida Community College Associate of Arts graduates are guaranteed the following rights under the Statewide Articulation Agreement (State Board of Education Rule 6A-10.024):  
1. Admission to one of the state universities, except to limited access* programs.
2. Acceptance of at least 60 credit hours by the state university toward the baccalaureate degree.
3. Adherence to university requirements and policies based on the catalog in effect at the time the student first entered a community college, provided the student maintains continuous enrollment.
4. Transfer of equivalent courses under the Statewide Course Numbering System.
5. Acceptance by the state universities of credit earned in accelerated programs (e.g., CLEP, DANTES, AP, PEP, Dual Enrollment, Early Admission and International Baccalaureate).
6. No additional General Education Core requirements.
7. Advance knowledge of selection criteria for limited access programs.
8. Equal opportunity with native university students to enter limited access programs.

Should any guarantee be denied, students have the right of appeal. Each state university and community college shall make available established appeal procedures through the respective articulation officers. At OWCC, students may contact the Vice President for Instruction or the Dean of Students.

* Limited Access is the designation given to programs that require additional admission requirements which are more selective than general admission requirements. These may include the following: increased total GPA and test scores; additional courses and prerequisites; and auditions and portfolios.
A 30-foot astronomical observatory is home to OWCC’s popular astronomy courses. On the Niceville campus, the observatory features an automated 18” reflective telescope, complete with a complex digital camera and software to allow the location and recording of events in the sky. The recording system allows instructors to return repeatedly to the same object in the sky to demonstrate phenomena that occur over time or to record events for daytime classes. The observatory houses a small classroom to allow students to view astronomical phenomena as they occur in the night sky.
A.A. Degree

General Education Requirements

Associate of Arts students must complete sixty (60) college credits to complete the degree. Thirty-six (36) of these credits must be general education credits distributed across five subject area categories. A student must satisfy the minimum number of credits in each category. No more than one credit (1) may be selected from the list of General Education Electives (category G). The remaining twenty-four (24) elective credits should be selected in consultation with an advisor, who will assist the student in selecting college credits most advantageous to the student's educational goals.

Courses Meeting General Education Requirements

Numbers in parentheses represent the minimum and maximum credit hours in each category allowable toward the total 36 general education credits. If the maximum is taken in one category, the lower number becomes the maximum allowable in the other disciplines. See Section “G” for one-credit electives.

* Communications courses listed on this page and under General Education Electives meet the 8000 word writing assignment as required by FAC Rule 6A-10.030. Credits earned in these courses in the Fall term of 1982 or later at OWCC or by transfer shall be based on a minimum grade of “C.”

** Mathematics courses listed on this page meet the mathematics requirements for FAC Rule 6A-10.030. Credits earned in the Fall term of 1982 or later at OWCC or by transfer that are applicable toward A.A. general education require a minimum grade of “C.”

*** Humanities courses listed on this page and under General Education Electives meet the 4000 word writing assignment as required by FAC Rule 6A-10.030. Credits earned in these courses in the Fall term or later at OWCC or by transfer shall be based on a minimum grade of “C.”

Courses listed with this symbol contain an oral communication component and may be used to satisfy the Speaking-Across-the-Curriculum requirement.

†† This college credit course qualifies as having an international and/or diversity focus for Teacher Education Programs common prerequisites.

Δ Technology-Across-the Curriculum Course

C. Humanities (6): Select two general education

Gordon Rule humanities courses*** following either Plan A, B, or C:

A. Choose one course from Area I, and one course from Area II, OR

B. Choose two courses from Area II, and a SPC course from Category G to meet Speaking-Across-The-Curriculum (SATC) requirement.

C. Choose two courses from Area I.

D. Natural Sciences (11-12): Select one Natural Science course from each of the three areas below.

I. Biological Science: (Choose one)
- BOT 1010C Botany ........................................4
- BSC 1005A Anatomy & Physiology I ..........4
- BSC 1010C Principles of Biology I ..........4
- BSC 1085C Principles of Biology II ..........4
- BSC 1086C Anatomy & Physiology II ..........4
- PCB 2011C Cell Biology ........................................4
- ZOO 1010C Zoology ........................................4

II. Physical Science: (Choose one)
- AST 1002 Astronomy ........................................4
- CHM 1020 Chemical Science ........................................4
- CHM 1045C College Chemistry I .................4
- CHM 1046C College Chemistry II .................4
- GLY 1001L Earth Science Lab ........................................1
- GLY 2010C Physical Geology ........................................4
- GLY 2100C Historical Geology ........................................4
- MET 1010 Introduction to Meteorology ........4
- OCE 1005C Introduction to Oceangraphy ........4
- PHY 1020 Physical Science ........................................4
- PHY 1053C Physics I ........................................4
- PHY 1054C Physics II ........................................4
- PHY 2048C College Physics I ........................................4
- PHY 2049C College Physics II ........................................4

III. Choose one additional science course from either Area I or Area II above OR:
- HLP 1081 Wellness: Practice/Theory ................3

E. Social Sciences/History/Government (3):
Select one general education Gordon Rule social science course*** from the list below:
- AMH 2010 American History I ..........................3
- AMH 2020 American History II ..........................3
- AMH 1041 American Civilization .......................3
- POS 1041 American Government ........................3
- POT 1002 History/Ideas of Political Science ........3
- SYG 1010 Social Problems ...............................3
- WOH 1012 World Civilization I .........................3
- WOH 1022 World Civilization II ........................3
- WOH 2040 Twentieth Century ............................3

F. Social Science/Behavioral Science (3):  
Select one general education social science course from the list below OR a second general education social science course from Category E:
- ANT 2000 Introduction to Anthropology ........3
- ANT 2100 Introduction to Archaeology ...........3
- ECO 2013 Economics I ....................................3
- GEA 1000 World Regional Geography .............3
- PSY 2012 Psychology ....................................3
- SYG 2000 Sociology .....................................3

G. General Education Electives (Maximum of 1 credit in the total credits required for the A.A. Degree)
- ART 1905/MUS 1905/THE 1905/HUM 1905 1
- BSC 1005L Biology Lab ..................................1
- BSC 1905 Independent Study/Biology ............1

**** Only 1 credit of the total credits for this course may apply toward A.A. Degree general education; the remaining credits may be counted toward the twenty-four credit electives required for the A.A. degree.

A.A. Degree Checklist – Let’s Review:
- Have you completed a minimum of 60 credit hours in the following areas?
  - 36 Hours of General Education
  - 6 hours in Communications – Gordon Rule writing 12,000 words (minimum grade of “C”)  
  - 6 hours in Humanities – Gordon Rule writing 8,000 words (minimum grade of “C”)  
  - 6 hours in Social Science – Gordon Rule writing 4,000 words (minimum grade of “C”)  
  - 6 hours in Mathematics – Gordon Rule (minimum grade of “C”)  
  - 11-12 hours in Natural Science  
  - 1 hour in General Education Elective - If above 5 areas do not equal 36  
  - 24 Hours of College Credit AA Transferable Electives

- Have you completed at least 15 of the 60 credits at OWCC?
- Have you completed the Speaking-Across-the-Curriculum requirement? (Look for courses marked with †)
- Have you completed the Writing-Across-the-Curriculum requirement (24,000 words)?
- Have you completed the Technology-Across-the-Curriculum requirement? (Look for courses marked with △)
- Have you met the CLAST requirement?
- Have you met the minimum GPA requirements for the AA?
- Have you Applied for Graduation by the advertised deadline?
State programs are distributed in the following categories to assist students in designing OWCC programs. Program changes, additions or deletions are mandated through the Florida Department of Education. For the most current program listings, contact the Office of Enrollment Services. Information on appropriate prerequisite courses for each program are listed in the Florida Common Prerequisites Manual available in the Student Services offices at all OWCC sites.
