

CERTIFICATE AND APPLIED TECHNOLOGY DIPLOMA PROGRAMS

Certificate Programs are designed to prepare students for employment in selected professional, technical, and occupational skill areas. OWCC offers three types of certificate programs: college credit certificates, vocational credit certificates and the Applied Technology Diploma (ATD). All are technically oriented and require less time to complete than do the two-year degree programs.

College Credit Certificates and Applied Technology Diplomas

College credit certificates and the ATD range from twenty-four (24) to sixty (60) credits in length, although most are comprised of thirty (30) credits, and require approximately one academic year to complete. Courses in these certificates include professional and technical skills, with an emphasis on practical application. Most college credit certificate programs include an internship option through which students may gain on-the-job experience as they study.

Each of the OWCC college credit certificates is paired with a companion A.S. or A.A.S. Degree Program. Upon successful completion of the college credit certificate, the student may receive credit toward approximately 45% to 50% of the course requirements in the companion degree program. Conversely, students who successfully complete the technical credits within a companion degree program may qualify for graduation from the appropriate certificate program. In this manner, students may receive two graduation credentials from the college. **Students should work closely with an advisor to plan their studies in a way to take advantage of this opportunity.**

College Credit Certificates and ATD Programs Offered at OWCC

- Accounting Applications (Certificate)
- Audio Technology (Certificate)
- AutoCAD Foundations (Certificate)
- Child Development/Early Intervention (Certificate)
- Cisco CCNA (Certificate)
- Computer Programming (Certificate)
- Computer Programming Specialist (Certificate)
- Computer Specialist (Certificate)
- Customer Service Technology(ATD)
- Digital Media/Multimedia Authoring (Certificate)
- Digital Media/Multimedia Presentation (Certificate)
- Digital Media/Multimedia Production (Certificate)
- Drafting (Certificate)
- E-Business (Certificate)
- E-Business Software (Certificate)
- E-Business Technology (Certificate)
- Graphics Design Production (Certificate)
- Graphics Design Support (Certificate)
- Information Technology Management (Certificate)

- Information Technology Technician (Certificate)
- Management (Certificate)
- Marketing Operations (Certificate)
- Medical Coder/Biller (ATD)
- Medical Office Management (Certificate)
- Office Management (Certificate)
- Office Specialist (Certificate)
- Stage Technology (Certificate)

Vocational Credit Certificates

Vocational credit certificates are comprised of vocational credits, as distinct from college credits. The certificates are generally less than one year in length and are designed to prepare students for employment in selected occupational skill areas. Most vocational certificates contain an internship option through which students may gain on-the-job experience as they study. The curriculum is heavily oriented toward problem solving and skill application. In certain circumstances, the skills acquired through completion of a vocational credit certificate may be articulated into comparable college credit work and applied to college credit certificates or A.S. Degree programs. **Students should work closely with an advisor to plan their studies in a way to take advantage of this opportunity.**

Vocational Credit Certificates Offered at OWCC

- Accounting Operations
- Administrative Assistant
- Corrections Basic
- Customer Assistance Technology
- Customer Service Representative
- Dental Assisting
- Early Childhood Education
- Law Enforcement Basic

Graduation Requirements for Certificate and ATD Programs

To successfully complete a college or vocational credit certificate, the student must meet the following requirements.

1. Complete the courses and other requirements as specified in the program of study. (With advance approval, college credit courses may be substituted for equivalent vocational credit courses in any vocational credit certificate.)
2. Complete at least 25% of the certificate coursework in residence at OWCC.
3. Maintain a cumulative GPA of not less than 2.00 in all coursework pursued for the certificate.
4. Satisfy all other college graduation requirements.

In addition, students wishing to complete a vocational certificate must demonstrate minimum skill levels in reading, communications, and mathematics, as measured by the TABE. The levels vary for each program of study.

Instructional labs and classrooms at OWCC utilize the latest in computer technology to aid student learning.

ACCOUNTING APPLICATIONS

Admission Program of Study Code 6370

College Credit Certificate

Students who successfully complete this certificate will have completed 27 credits applicable to the Accounting Technology A.S. Degree or to the Business Administration A.A.S. Degree programs.

CORE COURSES

	College Credits
GEB 1011 Introduction to Business.....	3
CGS 1100 Microcomputer Applications	3
