

FINANCE

V Finance / General Information

Full payment of fees is required when registering for classes at Okaloosa-Walton Community College. For your convenience, payment may be made using either MASTERCARD or VISA credit cards. Students who have not paid their fees will not be admitted to classes. The Comptroller and the College President may grant deferments as specifically defined and limited by Florida Statutes.

V Financial Assistance

The college offers a variety of financial aid programs. Inquiries concerning financial aid should be directed to the Student Financial Aid Office.

V Residency Classification

To assess fees, students are classified as Florida residents or as non-Florida residents. Criteria for determining residency status are detailed in the Florida Statutes and the administrative rules of the State Board of Education. Information for Residence Classification and Residency Declaration forms are available in the Office of Enrollment Services. Completed Florida Residency Declaration forms are required of all new students.

A student's "residency classification" is determined at the time of initial registration. A non-resident student may petition the Registrar for a change in residency status after establishing residency in Florida as defined by law. To petition, students should complete and submit a new Florida Residency Declaration form.

Active-duty military personnel (including dependent members of their immediate families) stationed in Florida are classified as Florida residents.

Providing false residency information is a violation of Florida state law and could result in disciplinary action being initiated. The college will correct the fees assessed those students who misrepresent their place of legal residence. An invoice will be issued for the increase in tuition.

V Military Assistance

Active-duty military personnel who enroll in college-credit programs through base education offices may be eligible for financial assistance. The

college has Military Assistance Agreements in effect with both Eglin and Hurlburt Field Air Force Bases. Contact the base education office for details.

V Veteran's Benefits and Assistance

Refer to the Financial Aid section of this catalog. VA deferments are available on a limited basis for short term courses offered during the Fall, Spring, and Summer semesters. Students should consult the Financial Aid Office for further information.

V Refund Policy

Refunds resulting from course adjustments are processed at the end of the registration period. Students are responsible for completing the proper withdrawal or drop/add forms obtained from the Office of Enrollment Services. They must also present these forms to the Business Office to complete the adjustment process. No refunds or financial credit will be granted after the last scheduled date of registration. Registration and refund dates are published each semester in the Schedule of Classes.

Refunds will be made in the form of a check and will be mailed to the student. Refund amounts will be reduced by unpaid student loans owed to the college.

Full financial credit will be granted for cancelled classes. Students can select alternate classes to which the fees can be applied. A refund will be processed automatically if replacement classes are not selected.

Any refunds for dropping classes after the end of the last day of registration are implemented through the Senior Vice President for Institutional Support Services' office. Refunds are authorized for administrative errors, for change of status from out-of-state to in-state (as confirmed by the Registrar), and for the death of a student during the term of current enrollment. Refunds may be made until mid-term for the following: serious illness or incapacity (confirmed in writing by a physician) or for transfer of military personnel and dependents (confirmed by military orders). Refunds are NOT authorized for changes in work schedules or for enroll-

More than 1,000 students graduate from OWCC annually, earning the Associate of Arts or Associate of Science degree or a certificate. To help students complete their education, OWCC awards more than \$6 million annually in financial aid and scholarships.

(confirmed by military orders)

Refunds are not authorized for changes in work schedules. If a request for a refund is not made within ninety (90) days to either re-schedule the test or request a refund, then all testing fees paid shall be forfeited.

The above policy applies only if an entire exam was missed. No re-scheduling or refunds shall be issued for portions of tests missed.

V Dishonored Check Policy

Checks returned by the bank will be processed as follows:

1. The student will be notified by certified mail that their check was dishonored by the bank. A \$25 return check charge will be applied to the student's account.
2. The student will have seven calendar days to pay for the check and the return check charge. Payment must be in the form of cash or certified funds. Failure to make the payment will result in cancellation of enrollment.
3. Reinstatement after enrollment cancellation will be considered only after full payment.
4. Students who frequently issue bad checks will be subject to disciplinary action even though their checks have been paid. The college may also suspend their check writing privileges.
5. The college will forward unpaid dishonored checks and related information about the student to a collection agency.

V Student Loans

The college offers students a short-term, no-interest loan program to assist in the payment of fees. Additional details on the loan program are contained in the Financial Aid section of this

ment status changes due to illegal activities.

Testing Fees Refund Policy

Individuals who have paid the registration fees to take the GED exam, CAT CLAST, CLEP, or TABE (non-OWCC students) and who are unable to test at the scheduled date and time, may request to re-schedule the test or may request a refund.

A request to re-schedule must be made by calling the Testing Center at the Niceville Campus (729-5234) as soon as a person knows that he/she will be able to take the scheduled test. The re-scheduled test date must occur within ninety (90) days of the **first** scheduled test date.

Individuals who are unable to re-schedule a test may request a refund within ninety (90) days after the scheduled test date. Requests for refunds must be submitted in writing via the Vice President for Administrative Services at OWCC and can be requested only for the following reasons:

- Administrative college error
- Death of student
- Serious illness or incapacity (confirmed in writing by a physician)
- Transfer of military personnel and dependents

Students are required to repay loans in no more than two installments at specified intervals. Thirty-five percent of the total fees must be paid at the time of registration (subject to change as announced in the Schedule of Classes). A three percent, non-refundable, loan processing fee is assessed on all loans.

The College Student Loan program approved by the District Board of Trustees requires that EACH payment be made by the designated date. Students not meeting their scheduled payment dates will be administratively withdrawn from all their classes. Students will be considered for reinstatement within a limited time period only after paying the FULL loan amount .

Students withdrawn from their classes are not released from the obligation to repay their loans. All loans that remain unpaid after the final installment due date will be referred to a collection agency.

A student who does not comply with the terms of the loan program will lose the right to receive future loans.

V Fines, Penalties, and Indebtedness

Students may avoid being assessed fines and penalties by becoming familiar with established policies and procedures contained in this catalog. The Student Handbook is an additional source of important information. Failure to comply with the college's regulations can result in fines being assessed. All unpaid debts with the college will result in grades, transcripts, diplomas, certificates, and other official documents being withheld. Students will also not be allowed to re-register until all debts are paid in full. The college will also withhold transcripts and deny registration privileges to students in DEFAULT STATUS on their Guaranteed Student Loan (GSL) until such time as the student achieves satisfactory repayment status as determined by the lending institution.

OWCC tuition and fees are among the lowest in Florida of any public or private college or university. Financial aid is available and about 80 percent of last year's graduating class received some form of financial assistance to attend OWCC.

V Parking Fines

Operating a private vehicle on OWCC campuses is a privilege and not a right. Individuals who show poor judgement or lack of consideration for the rights and safety of others may have this privilege revoked. Violating the college's parking regulations may result in parking fines being assessed or the vehicle being towed at the owner's expense. Repeat offenders are subject to disciplinary action by the college.

Complete parking and traffic regulations are published in the Student Handbook. Note: All OWCC students and staff must register their vehicles with the college and display an OWCC parking decal when parked on college property. Visitors may obtain a parking permit from the Campus Information Center for the duration of their visit or park in spots designated as visitor parking.

STUDENT SERVICES

catalog.

V Academic Assistance

Academic advising is available to help students make academic decisions. This service is provided by faculty, counselors, and educational advisors. Upon declaring a major area of study, each student is assigned a faculty advisor. This person is responsible for providing academic advice about the declared major. Students are encouraged to schedule an appointment with their advisor at the earliest opportunity.

For students who have not chosen a major, experienced college counselors and educational advisors are available to help make that choice. Counselors are located in the Student Services, "C-1" Building on the Niceville campus and Building "T" (2) on the Fort Walton Beach campus. Educational advisors are also located at each center. An appointment is advisable, but walk-ins will be served if possible. These services are intended to insure that each student has the opportunity and the information to decide what is best for them.

The Learning Skills and Writing Laboratory provides help to students who want to improve their abilities in writing, reading, study, and subject matter areas. Participation in this program is arranged by the student, a faculty advisor or a counselor. Use is voluntary; however, a counselor or faculty member's recommendation should be seriously considered by the student. This lab is located on the North Mezzanine in the Academic Success Center on the Niceville campus.

The Academic Success Center (ASC) is located in the North Mezzanine of the Learning Resources Center, Room E-149 on the Niceville campus. The center provides learning support programs consisting of tutoring in most subjects, writing assistance, CLAST (College Level Academic Skills Test) review, tutoring for learning disabled students and students with English as a Second Language, (ESL), computer tutorials, and collaborative learning sessions for several students needing assistance in the same area. Tutors and computer tutorials are also available for students needing help in learning foreign languages. Tutoring is on a one-to-one basis at no cost to the student. Assistance is available on a walk-in basis; however, students are encouraged to make an appointment. For more information call the Academic Success Center at 729-5389. Limited ASC services are available at the Fort Walton Beach campus.

Math Laboratories, which are located in the Math-Public Safety Building, ("L"), Room L-131, on the Niceville campus and in Building ("V") on the Fort Walton Beach campus are open to all students who need additional help in mathematics. The hours are posted on the lab doors.

V Career Planning Assistance

Students who are undecided about their future career plans are encouraged to make an appointment with their faculty advisor, educational advisor or a counselor to begin the selection process. Research indicates that students who have made career decisions are more likely to be academically successful than those who have not. The next step should be a visit to the **Assessment, Career and Tutorial Center (ACT)** in Building ("P") on the Niceville campus or classroom building ("V") on the Fort Walton Beach campus, the Robert L.F. Sikes Education Center in Crestview and the Chautauqua Center in DeFuniak Springs to explore the following available resources:

Career Assessment Services are provided for students and others needing additional counseling and assessment of interests, aptitudes and transferable skills. Other resources include career resource materials and computerized career exploration programs (CHOICES) to help students explore careers.

The ACT Center also provides students with a variety of resource materials to help them succeed in college. The **ACT** offers an open-entry, open-exit program, which means that students may enroll anytime during the semester. Computer-based research, wordprocessing, academic refreshment, and tutorials are available. The ACT Center supports certificate and A.S. programs. Students will find professional staff interested in helping them achieve their goals.

The Women's Resource Center, on the Niceville campus, provides additional career planning assistance for students, primarily women, who are returning to school because of divorce, separation, or the death of a spouse. The program assists students with education and training so they can enter the workforce with marketable skills. The program provides skills assessment, a support system, textbook loans, career information, tuition assistance and other services. Call (850) 729-5291.

V Testing Services

The Testing Center is located in Building C-2, Room C-200, at the Niceville campus. Various tests are administered by the center. The FCEP test is given at all OWCC campuses and centers. Please contact each center for exact times and location or refer to the current OWCC Schedule of Classes for

a listing. Other tests, such as CLEP, CLAST, CAT CLAST, SAT, ACT, and GED are administered by the Testing Center. Exact dates and times are listed in the 1999-2000 testing schedule available from the Office of Enrollment Services. Contact 729-4909 for a listing of test dates and times.

V Employment Placement Services

Students looking for full time employment after graduation from technical programs can be helped by the faculty. All students may link with jobs in the Assessment, Career and Tutorial Centers. (See above.) Workshops are available on resume writing, interview techniques, job lead development, and information on how to tap the hidden job market. Located in the ACT Centers are Florida Jobs and Benefits Offices that provide students information on local, state and federal job listings, title searches and employer searches. Job counselors are available for veterans on an appointment basis. The ACT centers are open Monday through Friday, 8 a.m. to 4:30 p.m. Call 729-5292.

Part-time off-campus job openings are kept on file in the Financial Aid Office in the Student Services Center (Bldg. "C-1"). Students are expected to be committed to the common good of the college community and to comply with local, state and federal law.

Each member of the college community is expected to participate seriously and purposefully in college life. While the freedom to express ideas and beliefs will be respected, conduct and behavior that result in the defacement of property, intimidation of others, or the disruption of any college activity will not be tolerated or permitted and will be subject to penalty. Instructors explain classroom requirements, and students are expected to assume full responsibility for their actions.

Classroom Activity, Behavior, and Attendance. The college recognizes that a thoughtful and reasoned search for truth can be conducted only in an atmosphere free of intimidation and coercion. Students are expected to respect the rights and welfare of all members of the college community

and to exercise common sense, good taste, and applied reason when testing their knowledge.

Students are free to take reasonable exception to data and views offered in the classroom and to reserve judgment about matters of opinion, but they are responsible for satisfying the requirements of any course for which they are enrolled. So long as it is consistent with the goals and established policies of the college, the instructor has final authority in all matters relating to course content, grading practices, and classroom procedures.

Grades. Because the awarding of course grades is the responsibility of the instructor, it is essential that faculty members keep students informed of their progress in each course. A student has a right to a course grade that represents the instructor's professional judgment of the student's performance in the course, without personal prejudice. An instructor has a right to expect that the work presented for evaluation or submitted as classroom projects are that of the student acting alone without benefit of any aids or practices that are generally considered academically dishonest.

Grade Grievances. If a student believes that he/she has not been graded fairly in a course, an appeal may be lodged. Any appeal must be initiated within thirty (30) days of the date the grade was issued by the Office of Enrollment Services. The student should first make an informal appeal to the instructor. If a complaint is not resolved to the student's satisfaction, an appeal without prejudice to the student's position may be made to the department or division chairperson. The next level of appeal is to the Vice President for Instruction who may, if it is deemed advisable, refer the matter to an ad hoc hearing committee to assist in evaluating the appeal. Any further appeal may be made to the President, whose decision shall be final. Hearing procedures and time limits parallel those of the Student Services Grievance Process.

A student has a right to protection against the improper disclosure of information concerning grades, beliefs, or character which an instructor acquires in the course of the professional association with the student. An instructor has a right to deal with what is perceived to be academic dishonesty and such behavior may result in disciplinary action.

Attendance. Students are expected to attend all of their scheduled classes. The effect of absences upon grades is determined by the instructor who may recommend to the Vice President for Instruction a withdrawal grade whenever absences become excessive. Three consecutive day class absences, two consecutive evening class absences, or three absences in a month will be reported to the Office of Enrollment Services as excessive. Further, each time a student has been

tardy three times to a class, it will count as one absence.

Behavior. An instructor has the obligation to maintain order in the classroom to preserve the integrity of the learning environment. If the instructor feels that the behavior of a student is disturbing or otherwise interfering with instruction, then the student may be asked to leave the class. The student may be allowed to return to the next class meeting after consultation with the instructor. The instructor may have further consultation with the department chair and the Vice President for Instruction to determine if dismissal should be recommended. The student may appeal a dismissal decision to the President, whose ruling will be final. Furthermore, disruptive behavior may result in additional disciplinary action.

Student Discipline. Academic and personal behavior of OWCC students shall be governed by policies contained in the college catalog, and such other policies as may be approved by the Board of Trustees on recommendation of the President and by pertinent provisions of Florida Statutes and FAC Rules. Any act or behavior by a student which tends to interfere with or otherwise disrupt the orderly

conduct, process, functions and/or interests of the college is prohibited. Such acts and behaviors include but are not limited to the following:

1. Cheating in any form, including plagiarism (such behavior may result in academic penalty and/or course failure at the discretion of the instructor, which may be appealed by the student);
2. Gambling;
3. Theft, vandalism or destruction of college property, or property of members of the college community;
4. Falsification of personal or college records;
5. The use, manufacture, distribution, sale, or possession of alcoholic beverages or illicit drugs on campus or at any college-sponsored event or activity;
6. Violence, including but not limited to sexual assault, robbery, murder or battery against any member or guest of the college community;
7. Hazing; and Harassment.

Instances of prohibited student behavior, which may include cheating and plagiarism, will be referred to the Dean of Students for resolution.

A member of Student Services will be appointed to make inquiries into the circumstances of the matter to determine if it has been handled through the proper channels. The inquiry will be completed within seven (7) working days of the submission date. This person may recommend that the matter be dismissed, settled informally, or be the subject of formal charges.

All reports of sexual assault and/or harassment are to be treated as confidential. The member of the college staff receiving the complaint should treat the victim with respect and consideration. It is important that confidentiality be extended to the accused as well as the victim. All persons involved in this procedure are directed not to discuss the matter except with college personnel involved in the process, attorneys for the victim and/or the accused, law enforcement personnel and other authorized agencies.

Informal settlement will be at the discretion of the Dean of Students who may do one or more of the following: give oral or written warning and/or admonition; require restitution or counseling. The informal settlement will take place within seven (7) working days of the inquiry recommendation.

Formal charges, in writing, will be prepared by the Dean of Students within five (5) working days and presented to the accused student. The charges will include:

1. The accused student's name, address, and social security number.
2. A description of the alleged violation that includes dates, times, and places.
3. The names of any witnesses and a description of any physical or written evidence that was known at the time that formal charges were prepared.

At the time of notification of formal charges, the Dean of Students will offer the student his/her choice of hearing settings:

1. An administrative hearing which will be conducted by the Dean of Students who will decide guilt or innocence and the appropriate action or sanction: dismissal of the charges, placing the student on disciplinary probation, or recommending to the President suspension or dismissal.
2. A Student Conduct Committee hearing which will decide guilt or innocence. The committee will be comprised of the Dean of Students (Chair), two other members of Student Services, two faculty members appointed by the Vice President for Instruction, and two students appointed by the Dean of Students upon recommendation of the Student Government Association president. After the presentation of evidence (against and in defense of the student), if the committee decides that there is clear and convincing evidence that the student is guilty, it will recommend the action or sanction to be taken. If the committee decides that the student is not guilty, it will recommend that the charges be dismissed. The Dean of Students will make the final decision and recommendation, then inform the student of the decision, the procedures of review and the grounds for appeal.

In both hearing settings the following will apply:

1. The accuser and the accused are entitled to have the same opportunities to have others present.
2. Both the accuser and the accused will be informed of the outcome of any disciplinary hearing or an appeal of the findings.
3. Persons serving as legal counsel may not participate in disciplinary hearings.
4. Adult students may not seek advice from any person while a disciplinary hearing is in progress.
5. The participation of a parent or legal guardian of the accuser or of the accused student who is a minor may be limited by the Dean of Students, at his/her discretion.

6. All other rules of procedure for the hearing will be outlined at the beginning of the hearing by the Dean of Students.

Seven days after the student has been notified of the findings and recommendations the Vice President for Instruction will review the records, evidence and findings of all hearings before the recommendation for suspension or dismissal goes forward to the president. If the vice president decides that published disciplinary procedures were not followed, the matter will be returned to the Dean of Students for rehearing.

Students who are found guilty in either hearing setting may, within seven (7) days of notification of the findings and recommendations, appeal in writing to the Vice President for Instruction on the basis of one of the following:

1. The discovery of new evidence.
2. The recommended penalty would impose unusual and severe hardship on the student.
3. Published disciplinary procedures were not followed.

The Vice President for Instruction will hear the appeal and do one of the following:

1. Uphold the original hearing findings, and forward to the President:
 - a. the recommendation to suspend or dismiss, or
 - b. recommendation to impose a lesser sanction.
2. Based upon new evidence, dismiss the charges, or
3. Return the matter to the original hearing setting for rehearing if published disciplinary procedures were not followed.

A student may appeal the decision of the Vice President for Instruction to uphold the original findings and recommendations only on the basis of new evidence. This appeal must be submitted to the president, in writing, within seven days after notification to the student of the Vice President for Instruction's decision.

No student shall be suspended or dismissed from OWCC without approval by the President. The President shall have the authority to temporarily suspend, while awaiting the disciplinary procedures outcome, any student whose behavior is judged by him to be detrimental, or potentially detrimental, to the college community.

Upon recommendation, and after implementation of the hearing process, a student may be suspended or dismissed by the President for behavior which is prohibited or otherwise unacceptable. The

Board of Trustees shall be advised of dismissal actions at its next regular meeting following such actions.

1. Conformance with all college policies, rules, and regulations pertaining to student behavior as specified in the current college catalog, or any other official college publication.
2. Avoidance of involvement in actions or activities which could be considered disruptive to the educational process or detrimental to the health, welfare, and safety of any member of the college community.
3. No participation in any student extracurricular organized activity.
4. Reporting on a scheduled basis for appropriate counseling sessions with an assigned college counselor.
5. Remaining in full compliance with the conditions of applicable court-imposed probation/parole.
6. Reporting on a scheduled basis to the Dean of Students for review of compliance with the terms of disciplinary probation.

Disciplinary suspension terminates a student's enrollment at OWCC for a specified period.

Dismissal separates a student from the college for an indefinite period with readmission subject to the recommendation of the Admissions Committee and the approval of the President.

Students who become ineligible for enrollment because of disciplinary action may not continue their education through any programs, activities, or offerings of Okaloosa-Walton Community College until such time as they may be readmitted to the college.

Student Grievance Procedures. Okaloosa-Walton Community College student grievance procedures are designed to provide effective means for resolving legitimate issues that are subject to the grievance process. State Board Rules and College Policies are not grievable; only the application or interpretation of rules or policies may be grieved.

Resolution of Grievances. Any student who believes that he/she has been done an injustice through the action of another student, a college employee, or other person acting for the college may initiate a grievance under these procedures.

OWCC's student grievance procedures apply to all complaints on the part of students which may arise in matters of instruction and general student services when they involve rights provided for under the college's Equal Access/Equal Opportu-

nity Plan and the Florida Educational Equity Act and when they directly affect the personal interests and well-being of individual students.

Complaints which do not directly affect the personal interests and well-being of individual students and which are not otherwise covered by these procedures shall ordinarily be referred to the Dean of Students for resolution.

The President of the college shall be the final arbiter where a dispute exists as to whether a particular matter is subject to coverage by these procedures. In making a decision, the President will interpret the coverage of these procedures liberally, denying their application only when the matter in question clearly concerns issues of rule or policy in which the complaining party has no direct interest, where there is good reason to believe that a grievance has been brought in bad faith for political or similarly inappropriate reasons, or for circumstances in which use of these procedures would clearly endanger their effectiveness as an instrument for the redress of grievances.

Informal Grievance Procedures. The college's informal student grievance procedures shall be implemented in the following sequence:

1. The aggrieved student shall first discuss his/her complaint with the instructor or faculty advisor concerned for resolution.
2. If the grievance remains unresolved, the student should refer it to the appropriate department or organizational unit head for resolution.
3. If the circumstances of the grievance preclude the use of steps 1 and 2, or if the department or organizational unit head does not resolve the grievance within ten (10) working days, the student should discuss the grievance with the Dean of Students, who will bring the matter to the attention of the President of the college.

If the grievance resulted from violation of college policies, the College Equity Plan, or FAC Rules, the president shall take or cause to be taken appropriate measures to ensure compliance with the policies, statutes or rules, and resolve the grievance.

If the grievance involves a question of judgment or opinion not covered by college policies, by the College Equity Plan, or the FAC Rules, the President or his designee shall counsel with the student, the faculty advisor, or the department or organizational unit head, and the appropriate principal administrator, in an endeavor to resolve the grievance.
