## ONE-SEMESTER COLLEGE COURSES THAT EQUATE TO ONE-FULL YEAR OF HIGH SCHOOL CREDIT (1.0 UNIT) AVAILABLE AT OWC THROUGH DUAL ENROLLMENT

New statewide rules mandate that the **following one semester-length college courses equate to one full year of high school credit**. Thus, a high school dual enrollment student receives one year of high school credit (1.0 unit) for completing the one-semester college courses listed below.

State rules mandate that the college courses listed must be accepted by all High schools in Florida as credit toward high school graduation and that students who meet the eligibility requirements for dual enrollment must be allowed to enroll in these course if the classes are offered by the local state college (OWC).
