

NORTHWEST FLORIDA STATE COLLEGE  
**Policy Number 6Hx17-4.00**

TITLE	USE OF FACILITIES, EQUIPMENTS, AND PROPERTIES
REFERENCE	
HISTORY	Local Language Revised May, 1996

It is the intent of the Board of Trustees that the facilities, equipments and properties of the College shall be used for educational purposes and correlated community services which enhance the image of the College, which are appropriately related to the objective of the College and which are available to the public (or organizations in which membership is open to any person in the community).

The Board shall establish, upon recommendation by the President, fees for use of College facilities, equipments, and properties as may be deemed appropriate. No cost or liability to the College shall accrue from usages other than for official college or college-sponsored functions.

See Operating Procedures and Rental Agreement, Appendix B.
