

# NORTHWEST FLORIDA STATE COLLEGE

## Policy Number 6Hx17-5.08

TITLE	QUALIFICATION OF COLLEGE PERSONNEL
REFERENCE	
HISTORY	
	Local Language Revised March 1988

### Local Language

**Administrative personnel** shall possess educational credentials or work experience which supports competence in their assigned administrative area. Administrative personnel will meet Standards of the Southern Association of colleges and Schools.

**Faculty personnel** will at minimum have qualifications in compliance with the Standards of the Southern Association of Colleges and Schools.

The College will develop and maintain a personnel professional development system with annual evaluation of all full-time personnel.

Each employee shall be compensated on the basis of his/her classification as contained in the position description and in accordance with the salary schedule for the position involved.

A current personnel file will be maintained for each employee. Appropriate documentation of degrees and work experience will be in each file.
