

## GRA 2941 - **Internship**, Graphic Design

---

**3 Credit Hours**  
**(Offered as needed)**

This is an individualized **internship** course that provides the student with supervised professional graphic design experience utilizing graphic design skills attained in the A.S. degree program. The student will work with a qualified supervisor on approved projects relating to his or her degree in a professional environment. The supervisor will evaluate the student's performance and the student will submit examples of the projects completed during the **internship** experience for evaluation by the instructor.

Prerequisite(s): [GRA 1151C](#) , [GRA 2190C](#) , [PGY 1801C](#) .

## EVR 1940 - **Internship**, Environmental Science

---

**3 Credit Hours**  
**(Offered as needed)**

This is an individualized course that provides the student with supervised, environmental science research experience. The student will work with a qualified supervisor on an approved project related to his or her interest in environmental science in a professional setting. The supervisor will evaluate the student's performance. Students will also meet several times throughout the semester with the professor to gain experience with job-ready skills, such as building a resume to highlight the **internship** experience, participating in mock job interviews, and developing a poster of individual research projects.

Prerequisite(s): Minimum grade of "B" in any college level science course; permission of instructor

## EMS 2438C - Advanced Clinical Internship

---

### **2 Credit Hours (Offered as needed)**

This course serves to reinforce and enhance knowledge learned throughout the paramedic course. Students will learn advanced assessment techniques for patients dealing with neurological, cardiovascular, airway, pulmonary, GI, urinary, renal, endocrine, hematological, immune system and trauma complaints. Specialized clinical lab time will be included with this course.

Prerequisite(s): [EMS 2232C](#) , [EMS 2436L](#) .

\* This college credit course is not intended for transfer and may not be applied toward the A.A. degree.

## CET 2940 - Computer Engineering Internship

---

### **1 Credit Hour (Offered as needed)**

On the job training in the Associate in Science degree program in which the student is actively enrolled. The student works under a qualified supervisor on a job related to his/her degree program. The supervisor will rate the student's performance, knowledge, comprehension, dependability, initiative, cooperativeness, and total performance. A project paper or approved project will be submitted by the student two weeks prior to the end of the semester. May be taken four times for a total of 4 semester hours.

Prerequisite(s): active enrollment in a technical degree program.

\* This college credit course is not intended for transfer and may not be applied toward the A.A. degree. ▲Technology-Across-the-Curriculum Course.

## CET 2941 - Computer Engineering Internship

---

### **2 Credit Hours (Offered as needed)**

On the job training in the Associate in Science degree program in which the student is actively enrolled. The student works under a qualified supervisor on a job related to his/her degree program. The supervisor will rate the student's performance, knowledge, comprehension, dependability, initiative, cooperativeness, and total performance. A project paper or approved project will be submitted by the student two weeks prior to the end of the semester. May be taken four times for a total of 8 semester hours.

Prerequisite(s): active enrollment in a technical degree program.

\* This college credit course is not intended for transfer and may not be applied toward the A.A. degree. ▲Technology-Across-the-Curriculum Course.

## CET 2942 - Computer Engineering **Internship**

---

### **3 Credit Hours** **(Offered as needed)**

On the job training in the Associate in Science degree program in which the student is actively enrolled. The student works under a qualified supervisor on a job related to his/her degree program. The supervisor will rate the student's performance, knowledge, comprehension, dependability, initiative, cooperativeness, and total performance. A project paper or approved project will be submitted by the student two weeks prior to the end of the semester. May be taken four times for a total of 12 semester hours.

Prerequisite(s): active enrollment in a technical degree program.

\* This college credit course is not intended for transfer and may not be applied toward the A.A. degree. ▲Technology-Across-the-Curriculum Course.

## EDG 4940 - **Internship**

---

### **9 Credit Hours** **(Offered as needed)**

Supervised teaching in a public or private school. Student teaching assignments will be made by the department of teacher education field placement coordinator. Graded on a satisfactory/unsatisfactory basis only.

Prerequisite(s): upper division standing with permission of department chair.

## ETG 1941 - **Internship**

---

### **3 Credit Hours** **(Offered as needed)**

On-the-job training in the Applied Associate in Science degree program in which the student is actively enrolled. The student works under a qualified supervisor on a job related to his/her degree program. The supervisor will rate the student's performance, knowledge, comprehension, dependability, initiative, cooperativeness, and total performance. A project paper or approved project will be submitted by the student two weeks prior to the end of the semester.

\* This college credit course is not intended for transfer and may not be applied toward the A.A. degree.

## **GEB 1940 - Internship - Business**

---

### **3 Credit Hours (Fall, Spring, Summer)**

On-the-job training in the Associate in Science Option program in which the student is enrolled. The student is under the supervision at work of a qualified supervisor. The supervisor will rate the student's performance, knowledge, comprehension, dependability, initiative, cooperativeness, and total performance. A project paper or approved project will be submitted by the student three weeks prior to the close of the semester. May be repeated four times for a total of 12 credit hours.

\* This college credit course is not intended for transfer and may not be applied toward the A.A. degree.

## **ISM 4931 - Internship - Technology Management**

---

### **3 Credit Hours (Offered as needed)**

This is an individual or group course in supervised work experience; provides the student with supervised, business-related work experience and the opportunity to build upon existing management skills and experience.

Prerequisite(s): upper division standing and permission of instructor.

## **CIS 1940 - Internship in Computer Studies**

---

### **3 Credit Hours (Fall, Spring, Summer)**

On-the-job training in the Associate in Science and Associate in Applied Science degree programs in which the student is enrolled. The student is under the direction of a full-time faculty member and under the supervision at work of a qualified supervisor. The faculty member in concert with the student and the student's supervisor will design a plan of study. The faculty member will periodically meet with the student and the supervisor to evaluate and if necessary modify the plan as deemed appropriate. The supervisor will rate the student's performance, knowledge, comprehension, dependability, initiative, cooperativeness, and total performance. A project paper or approved project will be submitted by the student three weeks prior to the close of the term. May be taken four times for a total of 12 credit hours.

Prerequisite(s): permission of the instructor.

\* This college credit course is not intended for transfer and may not be applied toward the A.A. degree. ▲Technology-Across-the-Curriculum Course.

## CCJ 1941 - **Internship** – Criminal Justice

---

### **3 Credit Hours** **(Offered as needed)**

On-the-job training in the programs in which the student is enrolled. The student is under the supervision at work of a qualified supervisor appointed by the respective agency. The supervisor will rate the student's performance, knowledge, comprehension, dependability, initiative, cooperativeness and total performance. A project paper or approved project will be submitted by the student two weeks prior to the close of the semester. This course may be repeated twice for a total of 6 semester hours.

\* This college credit course is not intended for transfer and may not be applied toward the A.A. degree.

## EEC 1949 - **Internship**, Early Childhood Education

---

### **3 Credit Hours** **(Fall, Spring, Summer)**

On-the-job training (OJT) in the Associate in Science degree program in which the student is enrolled. The student is under the supervision, at work, of a qualified supervisor appointed by the respective agency, who works with the NWFSC instructor regarding student's OJT objectives based on student's goals and prior training. The supervisor will rate the student's performance, knowledge, comprehension, dependability, initiative, cooperativeness based on OJT performance. NWFSC instructor will evaluate student OJT experience in consultation with agency supervisor regarding OJT performance and project paper on approved project submitted two weeks prior to close of semester. This course may be repeated four times for a total of 12 semester hours.

Prereq/Corequisites: [DEP 2100](#) , and [EEC 1309](#) or [EEC 1201](#) .

## GEB 4941 - **Internship**: Business

---

### **3 Credit Hours** **(Fall, Spring, Summer)**

An individualized course in supervised work experience; provides the student with supervised, business-related work experience and the opportunity to build upon existing management skills and experience.

Prerequisite(s): upper division standing and permission of the instructor.

## EMS 2940 - **Internship**: Emergency Medical Services

---

### **3 Credit Hours** **(Offered as needed)**

An individualized course in supervised work experience; provides the student with supervised, business-related work experience and the opportunity to build upon existing management skills and experience.

Prerequisite(s): permission of the instructor.

\* This college credit course is not intended for transfer and may not be applied toward the A.A. degree.

## PAD 4940 - **Internship**: Public Service

---

### **3 Credit Hours** **(Offered as needed)**

This is an individualized course In supervised work experience which provides the student with supervised, public-service related work experience and the opportunity to build upon existing management skills and experience.

Prerequisite(s): Upper division standing and permission of instructor.

## EMS 2425L - Paramedic Externship

---

### **4 Credit Hours** **(Spring)**

The final clinical **internship** consisting of ten (10), 24-hour shifts at Okaloosa County EMS, Walton County EMS, South Walton Fire Rescue or an alternate service. The paramedic student functions in the charge medic role during the experience. Each student is assigned to a designated Senior Paramedic Preceptor for the entire clinical schedule.

Corequisite(s): [EMS 2233](#) .

\* This college credit course is not intended for transfer and may not be applied toward the A.A. degree.

## EMS 2233 - Paramedic Processes III

---

### **2 Credit Hours (Spring)**

The final course necessary for Paramedic program completion. Designed to prepare the student for both Florida State Board and National Registry examinations. Emphasizes the integration of paramedic knowledge, attitudes and behaviors. Course consistent with the most current DOT curriculum.

Corequisite(s): [EMS 2425L](#) .

\* This college credit course is not intended for transfer and may not be applied toward the A.A. degree.
