Fall Semester Summit, Adjuncts(August 17, 2016)

1	It would be more beneficial to receive the D2L training more in advance of the upcoming semester. It has been very difficult to figure out how to design/develop the D2L shell and receiving an official training from the college a month or so before the semester would have been very helpful for people just beginning to work with this medium.	8/19/2016 9:17 PM
2	Returning Adjunct	8/18/2016 11:05 PM
3	I particularly appreciated having this meeting on a week night instead of a weekend.	8/18/2016 10:04 PM
4	Dr. Jarrell is very personable and a joy to work with. I work at another institution, and the environment at NWFSC is so much more positive!	8/18/2016 8:02 PM
5	First time adjunct instructor so all the information was helpful. I would request the information earlier though since there may not be a lot of time between learning about things like D2L and implementing the training.	8/18/2016 7:18 PM
6	It would have been helpful to receive a handout with tips regarding D2L.	8/18/2016 5:40 PM
7	Well worth my time, thank you.	8/18/2016 5:02 PM
8	Excellent!!!	8/18/2016 4:35 PM
9	Additional food choices since many of us had worked all day at other jobs and did not have time for dinner.	8/18/2016 4:27 PM
10	Very informative!	8/18/2016 4:27 PM
11	Greatly appreciated the evening meeting instead of the meetings held on Saturday during previous years. The 2016 Fall Summit for adjunct faculty was well put together. Thank you to the executive team and all other staff involved with planning and implementing the event.	8/18/2016 3:58 PM
12	Food should have been more substantive for dinner hour. Also, no utensils for food!	8/18/2016 3:38 PM
13	The reception seemed too short. There were also no utensils at the buffet. There were toothpicks of course but utensils would have been nice.	8/18/2016 3:37 PM
14	I wasn't able to attend RaiderNet 101 or the D2L Updates, unfortunately.	8/18/2016 3:34 PM
15	Thank you for pulling this together.	8/18/2016 3:30 PM
16	I like that the meeting was not on Saturday, but this was "dinner time" for many of us and the finger food was inadequate. Was there some reason it wasn't set up to be accessed from both sides? The wait in line was a bit long.	8/18/2016 3:27 PM
17	I found this meeting to be well organized and helpful	8/18/2016 3:23 PM

5	D2L gradebooks	8/18/2016 6:13 PM

10	It would be beneficial to hold an Adjunct Faculty Summit before the start of the Fall Semester as well as the Spring Semester given staff transition and changes at the college. Activities for getting acquainted with adjunct faculty within other departments would be helpful to developing camaraderie within and between departments. It would also be helpful to know what initiatives are taking place at the college overall and across instructional departments. Knowledge of current activities at the college assist with adjunct faculty being well-informed when promoting the college to the community.	8/18/2016 3:58 PM
11	More on-line training and help with hybrid formats	8/18/2016 3:46 PM
12	Working with advisors to help students at risk	8/18/2016 3:38 PM
13	I would love a Spring Semester Summit but I'm not sure what topics would be good. Just the chance to get together would be really nice.	8/18/2016 3:37 PM
14	Maybe a mini Spring Summit--just for new instructors. And returning can join in for any workshops that they want information again. Same topics would then be needed.	8/18/2016 3:34 PM
15	Similar, as we only saw 2 of the 4 presentations. Financial Aid and Military could be their own panels. I would like a presentation from the library staff.	8/18/2016 3:27 PM
16	Updates on Banner	8/18/2016 3:23 PM
