	stakeholders over the coming weeks to gage opinion about their		
	value and additional potential topics.		
Current Dat			
2.4.18/19	<ul> <li>Current data available to the group include:</li> </ul>		
	a. Success rates in traditional and distance learning courses		
	b. ICAT Survey Results		
	c. ICAT Café Results		
	d. SENSE Results		
	The group intends to utilize data from existing sources and hope to		
	align the QEP with initiatives such as 'Achieving the Dream'.		
	<ul> <li>Dean Anderson is currently working with the results of SENSE, she</li> </ul>		
	intends to study them in more depth to ascertain which		
	information will be of greater use.		
	<ul> <li>Dean Anderson is assembling a document based on ICAT results and feedback from the ICAT Café.</li> </ul>		
	Data from SENSE and ICAT have different benefits. SENSE data is		
	benchmarked against other institutions and can be repeated every		
	few years.		
	<ul> <li>ICAT can only be used to draw comparisons from within the college,</li> </ul>		
	in addition its results are more open to interpretation.		
	<ul> <li>There will be an opportunity to study the results from both SENSE</li> </ul>	PA	
	and ICAT at the next QEP meeting.	PA	
	CCSSE and CCFSSE are currently being administered however		
	results will not be available till fall 2019.
