SIGNATURE OF BOARD SECRETARY:

PURPOSE OF POLICY

To authorize the establishment of College Admission, Articulation, and access of students

LOCAL LANGUAGE

In accordance with Florida Statute and rules, a policy shall be established by the Board of Trustees and published in the college catalog and other college publications.

Northwest Florida State College criteria for admissions, access and articulation of postsecondary academic and career programs as stated in Florida College Statute 1007.263 will be published in the annual college catalog and other college publications.

NWFSC will maintain the primary mission to meet the needs of the community with open door admissions and outreach to the populations in Walton and Okaloosa County. Some College programs have additional admission requirements mandated by State and professional accreditation, instructional standards, and regulations. The College will comply with all provisions of the statewide articulation agreements, provide associate-level degree programs, as well as State approved baccalaureate degree programs.
