CLASSROOM CONDUCT

You are enrolling in a college-level, postsecondary class. Northwest Florida State College complies with federal, state, and accreditation requirements. The content in college classes is designed to offer a challenging, growing experience. The class experience may include content more mature, wide-ranging, or different from that which is offered in a high school classroom. You will share classes with students of many ages, backgrounds, and beliefs. You may be introduced to theories, topics, materials, discussions, or ideas that are different from those you have encountered before or that you do not agree with; you will not at any time be forced to espouse, believe, or agree with any subject matter, even if you are required to complete assignments involving that subject matter in class. Every college student is expected to talk independently with the instructor to address any questions or concerns, or, as needed, follow the college complaint process as stated in the College Student Handbook, or withdraw from a class. Please be kind and courteous to your classmates and instructor. Some of the things we read and discuss may challenge your beliefs. You may dissent, but do so respectfully and constructively.
