Course Curriculum

In this course, students will learn about the creative ideas and accomplishments of various cultures in various humanities fields, including art, architecture, drama, history, music, literature, philosophy, and religion. The course will include cultural expressions from the Western canon and may also include expressions from around the globe. A chronological survey of techniques and forms related to art, dance, film, literature, music, philosophy, religion, and theater. Artworks and selected readings are utilized as much as possible. A minimum grade of "C" is required if used to meet Golden Rule requirements for general education.

Goals

Students will demonstrate knowledge of arts and ideas and synthesize information from various sources.

Students will analyze and interpret selected expressions of art and ideas.

Students will compare and contrast selected expression of art and ideas.

Students will identify contextual influences on the development of interdisciplinary arts and ideas.

Objectives

H-1: Identify values found in the Humanities of various cultures.

H-2: Analyze aspects of artistic and human expression in the Humanities of various cultures and articulate informed responses.

H-3: Critically analyze universal human experiences represented in the Humanities.

H-4: Identify and explicate key elements of the Humanities through formal writing assignments.

Student Expectations of the Course

The instructor will be available outside of class to answer questions. Class participation is required.

Absences are not excused. Late work is not accepted. One late assignment is accepted at any time during the semester. Extra credit is offered.

How Student Performance Will be Measured

Student performance will be measured through essays, class participation, quizzes, attendance, and a comprehensive final exam.
