20044 Applied Percussion II MVP 2202 1Cr
SPRING 2025

- Professor: Fred Domulot
- Email: domulotf@nwfsc.edu
- Phone: 407-927-6215
- Office Hours: TBD
- Reference Number 20044
- Campus/Room: Bldg 100 Rm 302
- Class Days: **Tues./Thurs**
- Class Times: **TBD**
- Electronic Resources: [Blackboard class shell](#)
- Final Exam:

Course Description

MVP 2202-Applied Percussion 2

1 Credit Hour

Course-Level Student Learning Outcomes

Enter course SLOs here.

Course Prerequisite

Completed MVP 1201

Course Materials

Drumsticks and other materials to be determined.

Student Success Statement

Northwest Florida State College aspires to provide a quality, convenient, and affordable education by using data-informed decision making and industry best practices. Northwest Florida State College seeks to provide students with premiere learning experiences that create personal and professional connections that support students' personal growth, and clear, inclusive, education pathways that help students to successfully engage in a diverse society.

Diversity and Inclusion Statement

In support of building a culture where differences are valued and every individual feels empowered to bring their full, authentic self to work or school, we adopt the following Value Statement for Diversity and Inclusion: Northwest Florida State College is fully committed to diversity among its faculty, staff, and students. We are responsible for inclusion in all forms. Our ability to thrive in a multicultural world depends on our respecting differences and dismantling barriers. Our institution embraces this challenge by creating educational opportunities, raising

awareness, and implementing programs and initiatives that bring the celebration of diversity to life on our campuses, at our centers, and in the community.

Class Attendance (This sample statement may be edited.)

Students who stop attending class, or are not able to pass the course due to attendance expectations stated in the syllabus, may receive a failing grade which may impact the receipt of federal aid in subsequent courses. Students traveling for college approved activities will not be penalized academically but will be responsible for missed work.

Select one of the sample additions to this policy if you plan to attach grade penalties to absences. Copy and paste either A, B, or C and delete what you do not use (note that in each instance “may,” not “will” is used, thus giving you some flexibility):

- A. Students are expected to attend all of their scheduled classes, as attendance is one of the strongest predictors of success. Therefore, **X** hours of missed class may result in a penalty of **Y** (a percentage penalty assessed on the final course grade).
- B. This class involves frequent class discussions/lab work/group work; students will neither benefit from these activities nor contribute to the class as a whole if students are frequently absent. Therefore, **X** hours of missed class may result in the penalty of zero points in the participation element of the final course grade.
- C. Because this is a pre-professional program, students are expected to demonstrate the same professionalism in the classroom as is expected in the workplace. Therefore **X** hours of missed class may result in a penalty of **Y** (a percentage penalty assessed on the final course grade).
- D. Students are expected to participate regularly in this online class. The most successful online students set a schedule to log on to the course on a _____ (weekly, daily, x times per week, etc.) basis. Failure to log on and participate in the class **X** times per _____ may result in a penalty of **Y**.

Attendance Confirmation

Active participation and academic engagement are expectations of enrollment in this course. Faculty confirm each student’s attendance in class after the drop-add period ends. Students who have not attended class or otherwise engaged academically in the course through the submission of an academic assignment or through participation in a curricular activity will be withdrawn from the course for nonattendance.

Students who are withdrawn for nonattendance or nonparticipation early in the course may request to be reinstated in the course by contacting their instructor by email. Reinstatement in the course is at the instructor’s discretion during the first three weeks of class and is not guaranteed. Reinstatement requests occurring after this three-week period may be submitted to the instructor for consideration; however, additional administrative approval will be required to

grant the reinstatement. If you are withdrawn from a course due to nonattendance and are not granted reinstatement in the course, please contact a Student Success Navigator for assistance.

Classroom Conduct

Include policies on classroom conduct.

In accordance with CDC guidelines, NWFSC requires students, faculty, and staff to wear face coverings properly while on campus, including during each class meeting. Individuals who do not comply with this requirement will not be permitted to remain on campus. Students should apply social distancing practices whenever possible, extending courtesy to their peers and professor by being mindful of individual space. As the circumstances and guidance around COVID-19 develops further, updates are available on our [NWFSC COVID-19/Coronavirus Response Plan page](#). If changes for specific classroom policy or procedures are needed, you will receive an update through College email.

Grading Scheme and Procedures

Enter details about tests, homework, or quizzes. Include weighing of grade activities and method for determining final grade.

Incomplete Grades (This section may be edited.)

At the discretion of the instructor, an incomplete grade (“I”) may be awarded when the student is unable to finish the required work because of unforeseen extenuating circumstances such as illness or TDY assignment. To receive an “I” grade, the student must have successfully completed a significant portion of the required coursework and be able to finish the remaining work without attending class. An “I” grade will automatically convert to a grade of “F” if the student does not complete the remainder of the coursework by the established deadline.

Make-up Work

Enter details about makeup work if applicable.

Program-specific Information

Include policies provided by program directors/department chairs regarding field experience, clinicals, etc. Delete if not used.

Optional Space for Instructor

(Change heading to reflect appropriate guidelines.)

Include optional instructor guidelines for items such as:

- **Class policies**
- **Technical difficulties**
- **Additional classroom policies regarding technology**

Delete if not used.

Instructor Communication – Required Statement.

(This statement may be edited. Please include the time in which you respond to emails. A best practice is to respond to student emails within one business day. Indicate whether students may expect to be able to reach you through Blackboard Messages as a supplement to email.)

Email is the official communication medium of the College. Please check College email regularly for any class and College notifications.

Blackboard - Required Statement

(This statement may be edited to include other Blackboard tools used, frequency with which students need to check/log-in, etc.) All NWFSC classes use Blackboard Learn (Ultra course view), a platform for online learning. Students can access this class's Blackboard site at online.nwfsc.edu, or through RaiderNet. Students will find the class syllabus, course grades, and other resources.

Technical Skills and Specialized Technology

(Sample statement for online courses. Modify to tailor requirements to the specific modality of your course. Delete if not used. Add other specialized technologies as needed.)

This course is fully online. All instructional content and interaction takes place over the Internet. Students are expected to provide their own device(s) with which to access and complete this class online. In addition to baseline word processing skills and sending/receiving email with attachments, students will be expected to search the Internet and upload/download files. In addition, students may need one or more of the following resources:

- [Adobe Acrobat Reader](#)
- [PowerPoint Viewer](#)
- [Windows Media Player](#)
- [QuickTime Player](#)
- [Adobe Flash Player](#)
- [Zoom](#)
- Webcam

Academic Integrity Tools – Required Statement (Delete if course does not use these tools.)

Northwest Florida State College subscribes to *Turnitin* and *SafeAssign*, online plagiarism detection and prevention services. By enrolling in this class, students are consenting to upload their papers to *Turnitin* and/or *SafeAssign*, where they will be checked for plagiarism. Papers submitted to *Turnitin* are saved as source documents within these databases solely for the purpose of detecting plagiarism in other papers. **(Optional statement; delete if inaccurate for individual course.)** Please note: all assignments submitted in this course are analyzed for plagiarism and originality.

Media – Required Statement (Delete if course does not include videos.)

This course employs lecture capture software to provide students with videos of instructor lectures/PowerPoints/notes/demonstrations, etc., and students are required to watch these. These videos can be viewed with a standard Internet connection. If home Internet connections are not adequate, please remember that any NWFSC open lab is available to students. Students using computer labs on campus are expected to bring their own earbuds, to wear face coverings properly in common areas, and to adhere to social distancing.

Social Networking Sites – Required Statement (Delete if course does not use social networking.)

This class uses a social networking site to build community and enrich students' overall experience. Participation in this site is optional and not a required element of the class; all essential course information will be presented in the classroom or via Blackboard Learn Ultra. The instructor takes careful precautions to safeguard students on the Internet; however, as with many Internet interactions, risks still exist. By choosing to participate in the class's social networking site, students accept responsibility for the information they post and assume the risks associated with social networking sites.

Electronic Devices (This section may be edited.)

Electronic devices must not distract from learning. Courtesy to the professor and other students requires that phones be on vibrate or silent mode during class. No student should initiate conversations, including texts, during class activities. Use of electronic communication devices during examinations or other graded activities may constitute grounds for disciplinary action; such devices must be completely out of sight during exams or other assessments. Where emergency or employment situations require access to electronic communication services, arrangements may be made in advance with the instructor.

Children in the Classroom (Modify as necessary with consideration for modality and specific classroom environments.)

NWF State College values family life and has worked to develop policies that are supportive of families. However, it is the policy of NWF State College that students and visitors should not use the College in lieu of a childcare provider. Minor children are not permitted in labs, shops, construction/repair sites, classrooms, offices, labs, or other areas where potential hazards exist, unless enrolled in classes or activities scheduled at the site. In an emergency or other compelling situation, students or staff may bring children to class or the workplace on an incidental, individual basis, provided the instructor receives advance approval from the department chair or program director. In such cases, the children must be directly supervised at all times by the parent/adult and must not disrupt or distract the flow of college work, services or instruction. (The full Children on Campus policy statement appears in the College Catalog.)

Emergency College Closure

In the event of unusual or extraordinary circumstances, the schedule, requirements, and procedures in this course are subject to change. If the College closes for inclement weather or other emergency, any exams, presentations, or assignments previously scheduled during the closure period will automatically be rescheduled for the first regular class meeting held once the college re-opens. If changes to graded activities are required, students will not be penalized as a result of the adjustments but will be responsible for meeting revised deadlines and course requirements.

Academic Continuity Plan

Northwest Florida State College is dedicated to protecting the health and wellbeing of its students, staff, and faculty. The College is dedicated to working with faculty and students to ensure timely course and program completion during emergencies. In the event of a College closure, the format of this course may be modified to enable completion of the course through other means, including but not limited to online course delivery through Blackboard.

In the instance that a College closure is necessary, you will be provided with an addendum to the syllabus including full instructions. To ensure that you receive this addendum and notification of any course format changes, be sure to check Blackboard and your College email through RaiderNet. As always, the College's primary focus is the safety of the College community. Additionally, the College will apply this plan to support students and faculty who are able to engage remotely until such time as the College reopens instructional facilities.

Student Rights, Responsibilities, and Academic Integrity

Students are responsible for adherence to all college policies and procedures, including those related to academic freedom, cheating, classroom conduct, computer/network/e-mail use and other items included in the *Northwest Florida State College Catalog and Student Handbook*. Students should be familiar with the rights and responsibilities detailed in the current *Northwest Florida State College Catalog and Student Handbook*. Plagiarism, cheating, or any other form of academic dishonesty is a serious breach of student responsibilities and may trigger consequences which range from a failing grade to formal disciplinary action.

Grievance Policy and Procedures Statement

NWFSC aims to deliver high-quality instructional experiences. In the event of a concern regarding a class, students should first attempt to resolve the matter with the instructor. If a resolution cannot be reached, students may seek out additional counsel in Academic Leadership through a [formal process](#). Access the [Formal Grievance/Appeal form](#).

Assignment Schedule

(Strongly suggested; posting major assignment, at a minimum helps ensure that students who transfer receive appropriate course credit. Delete if not supplied.)

Campus Resources

Academic Services

Academic resources and support for student success are now centralized in the Learning Commons (building 500). The Learning Commons comprises the Library, Academic Success, Tutoring, Math Lab, and other academic support services. Students are encouraged to visit the Learning Commons for assistance and to take advantage of individual and group study areas, computers, whiteboards, and free printing. Visit the [Learning Commons](#) page for hours and information.

Tutoring

Free tutoring is offered to all NWFSC students in individual or small group formats for courses in math, science, business, writing, and language. Assistance with study and organizational skills are also available as well as the option to submit a paper for feedback and help with writing skills. Tutoring sessions are provided in person or remotely through Zoom. Appointments are preferred to guarantee time with a tutor, but walk-in support may also be available. Visit [Learning Commons - Tutoring](#) for more information and open hours for walk-in support. Email lcoach@nwfsc.edu for questions and assistance with services at other campus locations.

Open Computer Labs

Northwest Florida State College has open computer labs available for students on the Niceville, Fort Walton Beach, DeFuniak, and Crestview locations. Social distancing measures are being implemented at all open computer labs. Please visit our [website](#) for more information on computer lab locations and hours.

Testing Center

The Testing Center administers college admissions tests, placement tests, proctored exams, ACT/SAT, GED, CLEP, and DSST (formerly known as DAN TES). Make-up exams may be taken in the Testing Center, with instructor permission. General test information concerning testing with accommodations, testing center locations, hours and scheduling may be accessed on the Testing Center website at [Testing Center](#).

Library, Online Reference Materials, and Resources

The NWFSC library provides print and digital resources and services to support all courses and programs at NWFSC. For help with research, locating books, articles and or other resources, visit our library collection on the second floor of the Learning Commons. Students can email a librarian at reference@nwfsc.edu or schedule a virtual Zoom session with a librarian at [WCOOnline](#). All currently enrolled NWFSC students also have access to UWF's Library and resources located on the Fort Walton Beach campus. Visit the [Library](#) webpage for more information.

Military and Veterans Services

Northwest Florida State College provides a full range of benefits and services to [service members, veterans, and their dependents](#).

Veterans Success Center

The Veterans Success Center located on the ground level (West section) of Building 500 on the Niceville campus. The staff at the Veterans Success Center can assist student veterans and eligible family members pursuing their educational, professional, vocational objectives, and to transition into the workplace. The Veterans Success Center is a central location for student veterans and eligible family members to initiate their VA Educational Benefits, receive VA specific academic advising support from a Student Success Navigator, and utilize state-of-the art infrastructure and technology in designated areas to foster success. The Veterans Success Center offers a tranquil, professional, and respectful location to create a cooperative community for student veterans and provides resources for leadership, support, advisement, and campus engagement as part of Northwest Florida State College Office of Financial Aid, not the U.S. Department of Veterans Affairs (DVA).

New students are highly encouraged to make their initial inquiries for VA educational benefits to the Veterans Success Center. For more information please call [850-502-2895](tel:850-502-2895) and select option 5, or email va@nwfsc.edu , or visit our website at www.nwfsc.edu/veterans/.

Military Tuition Assistance

Northwest Florida State College is proud to be a military friendly college. We encourage active-duty military members to consider a DOD Tuition Assistance program. These programs, available from the member's respective military branch, can help subsidize the cost of tuition. You must apply for tuition assistance by following your military branch's procedures and filling out their provided form. Please contact your local education center for more detailed requirements. Questions about Military Tuition Assistance benefits may be directed to 850-502-2895 or viewed on the College's website, www.nwfsc.edu/tuition-assistance/

VetSuccess on Campus

VetSuccess on Campus (VSOC) is a program through the Veterans Benefits Administration that places an experienced Veterans Readiness and Employment Counselor directly on campus to assist and support student veterans and eligible family members. The VetSuccess on Campus Counselor serves as a "liaison" for veterans on campus. All student veterans, Active Duty service members, and family members attending NWF State College can access the Department of Veterans Affairs through a full-time VA Counselor. Contact Maronda Clark, VetSuccess on Campus Counselor at Maronda.Clark@va.gov or by phone at 850-678-5111 ext. 6752

Accommodation Resources

To obtain disability-related academic accommodations, students with disabilities must contact the Accommodation Resource Center at arc@nwfsc.edu or call 850-729-6079. Upon request of accommodations, students will be asked to provide medical documentation that supports their

disability request. If students are concerned that they may have an undiagnosed, disability-related condition that impacts their academic progress, it is recommended that they see a licensed medical professional for a diagnosis. Please contact the Accommodation Resource Center with any questions or concerns relating to permanent or temporary student disabilities.

Students who have been approved for accommodations through the ARC are encouraged to work with their professor on facilitation. All inquiries and discussions will remain confidential.

[BayCare Confidential Helpline: 1-800-878-5470 \(Open 24 hours/day\)](tel:1-800-878-5470)

Northwest Florida State College has partnered with BayCare Health to provide mental health, counseling, and personal development resources to all actively enrolled students. All students are eligible to receive up to three sessions with a licensed therapist or personal coach at no cost to the student. Access the NWFSC + BayCare Dashboard at www.nwfsc.edu/advising for a menu of services and resources. (Additional sessions or services are the responsibility of the student and may be billable to the student's personal insurance. Speak with a BayCare representative for more information.)

[Welcome to Class](#) **(Modify as desired to close with a welcome to students with well wishes for a successful semester.)**

Thank you for choosing NWFSC for your education—and welcome to class!
