

NORTHWEST FLORIDA STATE COLLEGE
DENTAL ASSISTING SELECTIVE ADMISSION PROCESS

Pool of Eligible Applicants:

- ☐ Completed the NWFSC and Dental Assisting Online Application (see website for application date)
- ☐ Requested official transcripts from high school and college be sent to NWFSC and received by NWFSC by the application deadline. Currently enrolled high school seniors will be evaluated from submitted in-progress transcripts.
- ☐ International transcripts must be evaluated by a NACES® association evaluation agency with a grade average and received by NWFSC before the application deadline, see: www.naces.org to find an evaluation agency
- ☐ Minimum GPA (high school or college) 2.00
- ☐ All final paperwork must be received by the application deadline.

All eligible applicants accepted unless the number exceeds the available slots, in which case the Selection Point System will be used to select students.

TOTAL POINTS		Highest possible score 45 points / 45

The applicants with the highest point totals are admitted first. If there is a tie among point totals, students will be ranked based on their GPA (high school or college (whichever is higher)). GPA is determined based on policies published in the current NWFSC Catalog and as determined by the Executive Director of Academic Records & Enrollment.
