<b>Fee Change Explanation</b>
This lesson fee was part of a five year strategy to make the college whole for applied instruction.
This lesson fee was part of a five year strategy to make the college whole for applied instruction.
This lesson fee was part of a five year strategy to make the college whole for applied instruction.
This lesson fee was part of a five year strategy to make the college whole for applied instruction.
Increased cost of HESI Testing Package
Clinical course - no testing
Covers skills lab and simulation supplies; increase in amount & cost
Reworked fees so student is paying for part of software use each semester instead of all in first semester
Increased cost of HESI Testing Package
Clinical course - no testing
Covers skills lab and simulation supplies; increase in amount & cost
Reworked fees so student is paying for part of software use each semester instead of all in first semester
College fee - increased to cover higher cost of insurance
College fee - added because college pays for coverage but previously had not been included
Increased cost of HESI Testing Package
Clinical course - no testing
Covers skills lab and simulation supplies; increase in amount & cost
Reworked fees so student is paying for part of software use each semester instead of all in first semester
College fee - increased to cover higher cost of insurance
College fee - added because college pays for coverage but previously had not been included
Increased cost of HESI Testing Package
Theory course - no simulation

<b>Fee Change Explanation</b>
Theory course - no field supervision
Clinical course - no testing
Fee moved to the appropriate course (was attached to NUR2241L - theory course)
Covers skills lab and simulation supplies; increase in amount & cost
Reworked fees so student is paying for part of software use each semester instead of all in first semester
Clinical course - no testing
No supplies needed other than software (see below)
Increased cost of ShadowHealth software (used in this course and NUR 4125)
College fee - increased to cover higher cost of insurance
College fee - added because college pays for coverage but previously had not been included
