The Key To Our Success

Summary

Leadership Okaloosa is an esteemed leadership training and development program with a 28 year history of being a vital part of Okaloosa County's growth and development of its leaders. This 9 month experience is designed to enhance the participant's leadership skills and provide community awareness. Hosted from September to May, participants receive classroom training by certified instructors and are given opportunities to interact with various key community leaders throughout the process. Tours of key areas such as Destin, Crestview, Niceville, Valparaiso, Fort Walton Beach, Eglin Air Force Base, Hurlburt Field and Legislative Days in Tallahassee provide participants with a better understanding of the community. Additionally, each participant takes part in a group project to benefit the community while focusing on project management, time management and team building skills. Another important aspect of Leadership Okaloosa is the networking relationships forged that lead to long lasting personal and professional relationships.
