Selection Point System

All eligible applicants accepted unless the number exceeds the available slots, in which case the following Point System will be used to select students.

Item	Points
a. Successfully completed general education courses (grade of C or higher) taken at NWF State College (points based on number of credits completed for a maximum of 5 points) <div style="text-align: center;"> 20 or more credits: 10 points 15-19 credits: 8 points 10-14 credits: 6 points 5-9 credits: 4 points 1-4 credits: 2 point </div>	/ 10
b. Cumulative college GPA* points: 3.00-3.49 = 5 points; 3.50 or above = 10 points	/ 10

e. Viewed NWFSC Nursing Program Information Session and submitted post-test <i>(1 point awarded for each correct answer on quiz).</i>	/ 10
Highest points from HESI A2	Maximum of 25 points per section
Applicants must successfully complete the HESI Admission Exam for RN programs. A minimum score of 75% for <u>each</u> of the <u>five</u> components is required for eligibility. Points for scores above 75% are calculated by subtracting 75 points from the highest score for each section. For example, if the applicant scores 76% in Math, he is awarded 1 point for that section.	
d. Reading Comprehension _____% (your score) – 75% =	/ 25
e. Grammar _____% (your score) – 75% =	/ 25
f. Vocabulary _____% (your score) – 75% =	/ 25

TOTAL POINTS	Highest possible score 175 points / 175

The applicants with the highest point totals are admitted first. If there is a tie among point totals prior to reaching program capacity, the following formula will be used to determine selection: (Cumulative score on Admission Assessment Exam) + (GPA X 25) = points

* The GPA is cumulative using lower-division coursework only for students who have not earned a bachelor's degree. For students who have not earned graded non-developmental college hours at a regionally accredited institution, the high school GPA at the time of graduation or GED scores will be considered. GPA and acceptance of transfer work is determined based on policies published in the current NWFSC Catalog and as determined by the Executive Director of Academic Records & Enrollment. College prep, developmental, and upper division courses will not be included in determining GPA.
