Item	Points
a. Successfully completed general education courses (grade of C or higher) taken at NWF State College (points based on number of credits completed for a maximum of 5 points) <div style="text-align: center;"> 20 or more credits: 10 points 15-19 credits: 8 points 10-14 credits: 6 points 5-9 credits: 4 points 1-4 credits: 2 point </div>	/ 10
b. Cumulative college GPA* points: 3.00-3.49 = 5 points; 3.50 or above = 10 points	/ 10
c. Current Okaloosa or Walton County Residency <i>(subject to additional documentation upon request)</i>	/ 5
d. Anatomy & Physiology (BSC1085C and BSC1086C or equivalent) course grades: Grade of B or higher = 5 points for each course	/ 10
e. Viewed NWFSC Nursing Program Information Session and submitted post-test <i>(1 point awarded for each correct answer on quiz).</i>	/ 10
f. LPN to RN applicants must successfully complete the HESI RN Fundamentals Exam. A minimum conversion score of 75% on the exam is <u>required</u> for eligibility. Points for scores above 75% are awarded using the highest points earned (version 1 or version 2) Conversion score of 80% - 84.99% = 10 points Conversion score of 85% - 89.99% = 20 points Conversion score of 90% - 94.99% = 30 points Conversion score of 95% - 100% = 40 points	/ 40
g. Military Service with honorable discharge: Proof of military service via DD Form 22, 22a, 256, 214 or 215	/ 5
TOTAL POINTS	Highest possible score 90 points / 90

The applicants with the highest point totals are admitted first. If there is a tie among point totals prior to reaching program capacity, the following formula will be used to determine selection:

$$(\text{Conversion score on HESI RN Fundamentals Exam}) + (\text{GPA} \times 25) = \text{points}$$

* The GPA is cumulative using lower-division coursework only. For students who have not earned graded non-developmental college hours at a regionally accredited institution, the high school GPA at the time of graduation or GED scores will be considered. GPA and acceptance of transfer work is determined based on policies published in the current NWFSC Catalog and as determined by the Executive Director of Academic Records & Enrollment. College prep, developmental, and upper division courses will not be included in determining GPA.
