a. Successfully completed general education courses (grade of C or higher) taken at NWF State College (points based on number of credits completed for a maximum of 5 points) <div style="text-align: center;"> 20 or more credits: 5 points 15-19 credits: 4 points 10-14 credits: 3 points 5-9 credits: 2 points 1-4 credits: 1 point </div>	/ 5

Applicants must successfully complete the HESI Admission Exam for RN programs. A minimum score of 75% for <u>each</u> of the five <u>components</u> is <u>required</u> for eligibility. Points for scores above 75% are calculated by subtracting 75 points from the highest score for each section. For example, if the applicant scores 76% in Math, he is awarded 1 point for that section.	
d. Reading Comprehension _____ % (your score) – 75% =	/ 25
e. Grammar _____ % (your score) – 75% =	/ 25
f. Vocabulary _____ % (your score) – 75% =	/ 25

TOTAL POINTS	Highest possible score 150 points / 150

The applicants with the highest point totals are admitted first. If there is a tie among point totals prior to reaching program capacity, the following formula will be used to determine selection:
(Cumulative score on Admission Assessment Exam) + (GPA X 25) = points

**GPA and acceptance of transfer work is determined based on policies published in the current NWFSC Catalog and Student Handbook and as determined by the College Registrar. College prep, developmental, and upper division courses will not be included in determining GPA.
