

Active & Engaged Learning

ENGAGE NWFSC

QUALITY ENHANCEMENT PLAN

Overview

The QEP, **Engage NWFSC**, is a campus-wide endeavor that reimagines how the College can best serve today's NWFSC student by focusing on faculty development and promoting active and engaged learning opportunities across all instructional methods. This project aims to positively influence student success and improve the student experience as the College becomes a more present, visible, and active partner in students' paths toward academic success.

Primary Objectives

QEP Objectives...

- Objective I:** Increase use of active learning strategies by faculty in Gen Ed core courses
- Objective II:** Decrease the repeat rate in Gen Ed core courses by increasing student performance (increase ABC rate and decrease DFW rate)
- Objective III:** Increase percentage of students meeting or exceeding Gen Ed SLOs targets
