**DYNAMIC FORMS – REGISTRATION LABS**

Students who have selected their classes for the Summer and/or 2023 term and are ready to complete a new Dynamic Forms Registration Form, can join the zoom session at any time for guidance and support. This session is structured to help students with the new process of completing and signing a registration form, not to search for classes. Students should have their Raidernet login information and CRNs of the class/es they want to take available. In preparation, visit the [Class Search](#) to choose classes. Note: Make sure to review the Guide for Using the Class search to ensure you choose the classes that best fit your schedule. **You do not have to register to join.**

If you have not done the above steps, stop and go to [www.nwfsc.edu/dual](http://www.nwfsc.edu/dual) for instructions before joining a session.
