## ACADEMICS

### 3D Printing

For 6th-8th grades. What the mind can imagine, a 3D Printer can make! Digital creations come to life as the layers are laid down. Visualize and create the design using the 3D modeling CAD program, and bring your design to life with the 3D printer.

### DIY Electronics

For 6th-8th grades. In this class, students will learn about basic electronics and get an introduction to circuit theory principles. This hands-on learning experience will help students understand circuit components and flow of electricity. At the end of the course, students will build a small powered project that they get to take home. Students will need to bring an empty toilet paper roll.

### Japanese Conversation

Do you like Japanese Anime or Manga? Do you want to learn the Japanese language to communicate with Japanese people? If you do, this class is for you! Come learn Japanese greetings, basic conversation skills, useful phrases, expressions, and more. Learn to write your name in Japanese letters.

### Mandarin Chinese

Are you inspired to learn more about the Chinese language? You are welcome to immerse yourself in the Mandarin Chinese dialect while counting in Chinese and learning colors, basic greetings, and names of animals! The goal is to be able to have conversational skills while engaging in Chinese culture.

## ACADEMICS

### Portuguese Conversation

Mornings Only. Learn basic vocabulary and fundamentals of grammar through practice in speaking, listening comprehension, reading and writing, based on the Communicative Approach. This course also introduces the culture of the Portuguese-speaking world!

### Create Your Own Superhero!

Students will create a new superhero, complete with superpowers, a weakness, and a cool costume. The students will write a story starring their superhero and make a graphic novel (like the Dogman or Captain Underpants books) to tell the story!

## ART

### Beginning Drawing Techniques

*Mornings only.* Designed with beginners in mind, this drawing course is suitable for all ages. The beginning steps start with shapes and lines that will then turn into a recognizable outcome. Young artists may then apply the knowledge they gain through each lesson to create unique masterpieces of their own.

### Chinese Calligraphy

Chinese calligraphy is the writing of Chinese characters as an art form, combining purely visual art and interpretation of the literary meaning. This type of expression has been widely practiced in China and has been generally held in high esteem across East Asia. This class melds the beauty of calligraphy with Chinese character writing.

### Cookie Decorating

*Afternoons Only.* Decorating cookies is all about having the right tools and great tutorials. This class is fun-filled, hands-on, and guaranteed to sprinkle some cuteness into the summer days. Students will bring home all their goodies to share with family and friends. Make life sweeter, one cookie at a time!

### Police Academy

Mornings Only. Police Camp is a week of activities and exercises that aims to enhance students' knowledge in law enforcement and public safety. Students will learn about defensive tactics, crime scene investigation, police K9s, firearms safety, and much more. Police Camp is designed for students entering 5th – 8th grade. ATTENTION: Police Camp will consist of 2 Morning sessions, 9 AM-12PM.

### Cool Crafts

*Afternoons Only.* This crafty class will offer students the opportunities to make some cool crafts for themselves or gifts for others to cherish. We will make some eye-catching wreaths, glowing mason jars, picture frames, and much more. This class will be using glitter, paints, and a hot glue gun with instructor supervision. The students are welcome to wear old large t-shirts over their clothes to help protect themselves.

### Gift from the Gulf

This class will transform any beach lover into a marine artist. Ocean artisans will create various 2D and 3D projects using multiple art mediums including watercolors, plaster, chalk, foam, acrylics, and paper. The sun, sand, saltwater, shells, and sea life of our local waters will inspire these unique creations. Activities are different each week. New project options for returning students.

### Paint like an Artist Kidz!

Students will create artwork inspired by the great artists throughout history! We will be focusing our lessons on famous artists from all over the world. Students will engage with new art techniques and practices inspired by the classics using clay, paint, paper and oil pastels.

# ART

## Take the Cake!

*Mornings Only 3rd-5th grades.* Cake decorating together! Come learn how to decorate cakes and cupcakes with buttercream frosting. This fun-filled course is sure to make this a sweet summer. Students will get to take home their beautiful and tasty creations.

## Take the Cake Advanced!

*Afternoons Only 6th-8th grades.* Cake decorating together! Come learn how to decorate cakes and cupcakes with buttercream frosting and fondant! We will delve into decorating with more advanced techniques in this creative and sweet course. Students will get to take home their beautiful and tasty creations.

# DANCE, MUSIC & THEATRE

## Guitar

Here is a great way to get started to pluck your way into the music world. Students will start with chords and work their way up to a wonderful performance on the last day of class. **Students MUST bring their own guitar. Label your guitar with your name. No electric guitars, please.**

## Theater Arts

Immerse yourself in this fun, unpredictable, and high-energy workshop. This class is designed to expose students to memorable experiences in theater arts through scripted scenes, improvisation, and theater games.

## Hip Hop Hooray

No dance experience is needed. Learn basic routines that will get you jump-started in learning how to move and groove. Join this class to learn the latest hip-hop dance. Make sure to wear comfortable clothes and dance shoes or socks. Let's get moving!

# SPORTS & FITNESS

## Martial Arts Mania

Be more confident with self-defense strategies. Learn how to build self-esteem! Develop focus and power through board breaking! Gain speed and coordination with nun chucks! Come train and have fun in Martial Arts Mania! We teach the life skills you want for your children. Respect, confidence, self-control, discipline and to have a "YES I CAN" attitude!

## Open the Body and Mind

This class helps children develop healthy bodies, shining hearts, and a calm focused mind. Class includes heaps of playful movement, balance, inversions, and activities set to upbeat music. Bring a yoga mat or a big beach towel for this high-energy class.

## Power Yoga

Power Yoga benefits are immense; this is a mind-body experience like no other. The goal of Power Yoga is health and wellness. Asana are performed to improve flexibility, circulation and balance. Bring a yoga mat or a big beach towel for this high-energy class.

## Rookie Rugby

ROOKIE RUGBY is designed with the American athlete in mind. It is a fun, safe, team game that develops a range of ball handling, running and evasion skills. Participants learn the importance of teamwork and respect for opponents, coaches and referees, which are key elements of all athletic endeavors. The game of rugby was invented when a young man at Rugby School in England picked up the ball and ran with it over 150 years ago. Today the game of rugby is now played by over 3 million people in 115 countries across 6 continents! Students should wear sneakers and athletic clothing! Rookie Rugby will be a non-contact class.
