#These courses have one or more BSN nursing courses as prerequisites – check the catalog!   *Students must be finished with ALL general education courses prior to beginning of this semester.
**STA2023 must be successfully completed before registering for this course

NOTE: These are options! Upon BSN admission you'll receive an email that indicates your BSN advisor. Work with your BSN advisor to create a plan of study that works with your life. You may take longer than 4 semesters to complete requirements depending on your desired course load and number of non-nursing courses you need.
