Child \_\_\_\_\_

Child health records kept at the Northwest Florida State College Child Development & Education Center include:

- Health Examination Form provided by the parent/legal guardian & required by Florida Law
- Immunization Record provided by the parent/legal guardian & required by Florida Law  
(In the event the child is under-immunized because of a medical condition, this will be documented by a licensed health professional or by providing a religious exemption certificate for immunizations.)
- Current emergency contact information (on enrollment form) provided by the parent/legal guardian & required by Florida Law
- Instructions for any child's special health needs such as allergies or chronic illness
- Current information about health insurance that would be required for treatment in an emergency

The above child health records are confidential only the parents/legal guardians of the child and CDEC staff members who have a need to know will have access to this health information about your child.
