The screenshot shows the RAIDERNET registration interface. At the top, there is a navigation bar with "Student" and a user profile icon. Below it, a breadcrumb trail reads "Student > Registration > Select a Term > Register for Classes". The main heading is "Register for Classes".

Under "Find Classes", there are tabs for "Find Classes", "Enter CRNs", and "Schedule and Options". The "Find Classes" tab is active, showing a search form with the following fields:

- Enter Your Search Criteria (Term: Spring Semester 2025)
- Subject
- Course Number
- Keyword
- Part Of Term

Buttons for "Search", "Clear", and "Advanced Search" are at the bottom of the search form.

Below the search form is a "Class Schedule for Spring Semester 2026" grid. The grid shows classes scheduled for Tuesday and Thursday. A red arrow points from the search form area down to the "Action" column of the class schedule table.

The "Class Schedule" table has the following data:
