## ACADEMICS

### **American Sign Language** (Grades 3-7. Available both weeks, all sessions.)

Welcome to the visual world! Come along as we explore Deaf Culture through the heart language of the Deaf - American Sign Language (ASL). Our class is designed to expose students to the depth and beauty of ASL while instilling a love for communication and human connection. Students will learn ASL fundamentals such as ABCs, numbers, basic phrases, and their names through an immersive language approach. *(The instructional content of this course is the same for both weeks of camp.)*

### **Create Your Own Superhero!** (Grades 3-7. Available both weeks, all sessions.)

Students will create a new superhero, complete with superpowers, weaknesses, and a cool costume. The students will write a story starring their superhero and make a graphic novel (like the Dogman or Captain Underpants books) to tell the story! *(The instructional content of this course is the same for both weeks of camp.)*

### **Test Drive Your Future Career with VR** (Grades 6-7. Available both weeks, all sessions.)

Want the chance to “test drive” future careers using state of the art Virtual Reality headsets? Step into new virtual worlds where you will have the opportunity to take flight with aviation, explore how you can help others in the medical field, build with electrical construction, discover hospitality and tourism opportunities, and even get your hands dirty virtually in automotive! Students will engage in fun activities that encourage them to realize their individual skills and interests and learn about the fun careers that await them! *(The instructional content of this course is the same for both weeks of camp.)*

**Enviro Rangers: Into The Wild** (Grades 3-7. Available both weeks, all sessions.)

Discover our amazing Florida environment: beaches, springs, swamps, forests, estuaries, aquifers, and our amazing native species! Learn the biggest things impacting Florida ecosystems by splashing around stormwater (interact with a hands-on demonstration!), getting messy with pollution (don't worry we will turn it into something new!), and identifying invasive species! Students will learn to appreciate the connection between the outdoors and personal well-being through interactive lessons meant to engage and inspire. Let's help the next generation learn that natural Florida is special and worth every effort to protect! *(This class will go outside for some activities, weather permitting, but will not leave campus. (The instructional content of this course is the same for both weeks of camp.)*

**Freshwater Frenzy** (Grades 3-7. Available both weeks, all sessions.)

Join the Choctawhatchee Basin Alliance as we take a dive into our local waters! If you like learning about frogs, bogs, water, and macroinvertebrates– this is the class for you! Together, we will be learning about all the life that can be found in and around freshwater. We will learn about frogs and toads, search for aquatic macroinvertebrates in leaf packs, dissect carnivorous plants, and learn about our watershed. Join us to explore the awesome waters of Florida! *(The instructional content of this course is the same for both weeks of camp.)*

**Japanese Conversation** (Grades 3-7. Available both weeks, all sessions.)

Do you like Japanese Anime or Manga? Do you want to learn the Japanese language to communicate with Japanese people? If you do, this class is for you! Learn Japanese greetings, basic conversation skills, useful phrases, expressions, and more. Learn to write your name in Japanese letters! *(The instructional content of this course is the same for both weeks of camp.)*

**Police Academy** (Grades 6-7. Available both weeks, mornings only. Combines 2 sessions, 9 AM-12 PM.)

Police Camp is a week of activities and exercises that aim to enhance students' knowledge in law enforcement and public safety. Students will learn about defensive tactics, crime scene investigation, police K9s, firearms safety, and much more. *(The instructional content of this course is the same for both weeks of camp.)*

**Scrubs Camp** (Grades 3-7. Available both weeks, mornings only. 9:00 AM is 3-5<sup>th</sup> grade; 10:30 AM is 6-7<sup>th</sup> grade.)

Do you want to make a difference in people's lives? Are you interested in a career in Health Sciences? Then join us for Scrubs Camp! Students will learn the role and importance of each member of the health care team, identify the tools and equipment used in the health care field, and explore the critical care provided by nurses and the role they play in positive patient outcomes. *(The instructional content of this course is the same for both weeks of camp.)*

# ARTS

## **Beginning Drawing Techniques** (Grades 3-7. Available both weeks, mornings only.)

Designed with beginners in mind, this drawing course is suitable for all ages. The beginning steps start with shapes and lines that will then turn into a recognizable outcome. Young artists may then apply the knowledge they gain through each lesson to create unique masterpieces of their own. *(The instructional content of this course is the same for both weeks of camp.)*

## **Cookie Decorating** (Grades 3-7. Available Week 1 only, all sessions.)

Decorating cookies is all about having the right tools and great tutorials. This class is fun-filled, hands-on, and guaranteed to sprinkle some cuteness into the summer days. Students will bring home all their goodies to share with family and friends. Make life sweeter, one cookie at a time! YUM!

## **Cool Crafts** (Grades 3-7. Available both weeks, afternoons only.)

This crafty class will offer students the opportunities to make some cool crafts for themselves or gifts for others to cherish. We will make eye-catching wreaths, glowing mason jars, picture frames, and much more. This class will be using glitter, paints, and a hot glue gun with instructor supervision. The students are welcome to wear large t-shirts over their clothes to help protect themselves. *(The instructional content of this course is the same for both weeks of camp.)*

## **Color Your World, Artists!** (Grades 3-7. Available both weeks, all sessions.)

Students will create artwork inspired by the world around us! Lessons will focus on color and how an artist can use their understanding of color to make engaging artwork. Students will learn to use color to communicate about our world, including their own thoughts and feelings. Students will experience a variety of artistic mediums including paint, pastels, collage, and more. *(The instructional content of this course is the same for both weeks of camp.)*

## **Cupcake Decorating** (Grades 3-7. Available both weeks, all sessions.)

Become a cupcake superstar by learning basic cupcake decorating techniques! You will learn piping techniques, how to make colored icing, and how to use buttercream icing and fondant for decorations. You will also learn how to make cupcake holders to store and take home your creations, spreading cupcake joy to friends and family! *(The instructional content of this course is the same for both weeks of camp.)*

## **Gifts from the Gulf** (Grades 3-7. Available both weeks, all sessions.)

This class will transform any beach lover into a marine artist. Ocean artisans will create various 2D and 3D projects using multiple art mediums including watercolors, plaster, chalk, foam, acrylics and paper. The sun, sand, saltwater, shells and sea life of our local waters will inspire these unique creations. *(The instructional content of this course is the same for both weeks of camp.)*

**Kids Calligraphy** (Grades 3-7. Available both weeks, all sessions.)

Young learners will be introduced to the art of beautiful handwriting, teaching them basic calligraphy techniques. Students will use specialized pens and paper, focusing on proper stroke formation, letter structure, and spacing to create decorative lettering. This class will incorporate fun themes and creative projects to engage children in the learning process while developing fine motor skills and artistic expression. *(The instructional content of this course is the same for both weeks of camp.)*

**Printmaking** (Grades 3-7. Available both weeks, all sessions.)

If you've ever used a stamp, then you have practiced the art of printmaking! In this class, students will learn how to create their own art using printmaking techniques. Gelli plates will transfer textures and indentations to your paper and anothypes will use the sun and leaves to print shapes! Join us for a class of playing with textures, shapes and pressures! *(The instructional content of this course is the same for both weeks of camp.)*

**Theater Arts** (Grades 3-7. Available both weeks, all sessions.)

Immerse yourself in this fun, unpredictable, and high-energy workshop. This class is designed to expose students to memorable experiences in theater arts through scripted scenes, improvisation, and theater games. *(The instructional content of this course is the same for both weeks of camp.)*

## **ATHLETICS**

**Hip Hop Hooray** (Grades 3-7. Available both weeks, 9:00 AM, 10:30 AM, and 12:30 PM only.)
