___ 1. I understand that my Certificate of Eligibility (COE) from VA will be required.

___ 2. I understand that ALL transcripts, including military training, will be required.

- ❖ I am responsible for ordering official transcripts, including military training, upon enrollment to NWFSC.
- ❖ If all transcripts are not received before my 2nd semester of attendance, my certification will be placed on hold.
- ❖ If I am provided course recommendations during my 1st semester, I will ensure that I have not previously completed equivalent courses. VA **will NOT** cover repeat courses for which I have earned a passing grade or allow for excessive elective courses. **This includes CLEP, DSST or AP test scores.

___ 3. VA will only cover courses that are required on my approved Program of Study.

- ❖ Any classes taken during my 1st semester must be required on my approved program of study after all transcript evaluations are completed.
- ❖ Any course substitutions or changes in my program must be approved by the Registrar.

___ 4. **Developmental Courses:** If my PERT test scores require me to take developmental classes, VA will cover the courses if:

- ❖ I have NOT previously completed and passed the course or completed a higher level course.
- ❖ The course is taken in the TRADITIONAL instructional method (HYBRID OR ONLINE remedial courses are not eligible).

___ **5. Unsatisfactory Progress:** I understand that VA educational benefits must be discontinued when I cease to make satisfactory progress toward completion of my training objective. Standards of Academic Progress are outlined in the NWFSC catalog. <https://catalog.nwfsc.edu/>

- ❖ Academic Suspension: Students placed on Academic Suspension will have their VA educational benefits deactivated for use at NWFSC. Benefit usage can be reactivated for future terms ONLY after achieving the minimum required cumulative grade point average (2.0) and submitting a VA Form 22-1995 or 22-5495 (Chapter 35).

___ **6. Full-Time Enrollment by Semester:** Full-time enrollment is based a standard term covering the entire 16-week semester (session 1). Fast-track terms (sessions 2, 3, or 4) are weighted, therefore, MHA for these terms may be calculated differently. **See VSC staff if you have questions.

- ❖ 16-week Fall/Spring semester (session 1): Full-Time = 12 credit hours
- ❖ 12-week Summer (session 1) or Fall/Spring (session 4): Full-Time = 8 credit hours

___ **7. Every Semester I Must:**

- ❖ **Notify the VSC I've registered for classes by submitting a VA Certification Request Form.**
Failure to do so may result in classes being dropped for non-payment by the established drop dates.
https://nwfstatercollege.formstack.com/forms/va_enrollment_certification_request_form_copy
- ❖ **Ensure I am in a Paid Status by checking the Student Billing tab in my RaiderNet account.**
 - Post 9/11 (CH33): A copy of your COE must be on file to secure payment.
 - VR&E (CH31): An approved contract from your VR&E counselor must be on file to secure payment.
- ❖ **Notify the VSC of any schedule changes by submitting an updated VA Certification Request Form.**
**Schedule changes after the add/drop deadline may create potential billing and overpayment issues. It is recommended that you speak to a VSC staff member so we can assist you in making an informed decision.

___ **8. I understand that it may take up to 90days to receive payment AFTER I submit my required documents.**

Each semester the certification process includes three (3) steps:

Step 1. Student Action:

After I have submitted all required documents to the Veterans Success Center (VSC), my paperwork may take up to 30 calendar (20 business) days to process. Processing of my documents is contingent upon my information being accurate, complete, and in compliance with VA regulations.

Step 2. NWFSC VSC Action:

Upon VSC staff submission of course enrollment (certification) to the VA Regional Processing Office, I will receive a confirmation email from "VA Enrollment Manager". This email is my notification that the VA Regional Processing Office now has my information to begin the certification process for payment.

Step 3. VA Regional Processing Center Action:

Certifications are processed in the order that they are received. It may take up to 60 calendar days for VA to render payment.
