

SUMMER (202630) AND FALL (202710) 2026 DUAL ENROLLMENT SELF-REGISTRATION GUIDE

Students who plan to participate in Dual Enrollment must meet Eligibility Criteria.

- Students must have a Cumulative Unweighted High School GPA of 3.0 each term of enrollment, **AND**,
- Demonstrate College Readiness through an approved Placement Test. This requires a College Readiness score in Reading, Writing/grammar, and Math. Click [here](#) to better understand scores. (<https://catalog.nwfsc.edu/mime/media/34/1572/Placement+Scores+4.24-2.pdf>)
- Approved tests include PERT, ACT, SAT, and CLT® or Digital SAT.
- Acceptable scores in Reading and English are on the English Composition I row of the test scores chart.
- Acceptable minimum scores in Math are on the MAC1105C row of the test scores chart.

Once a student has determined they meet the eligibility criteria the student will follow the steps below. Students should track their process by marking each step off as they are completed.

Step 1: APPLY FOR ADMISSION - New Students will apply to NWFSC for the term in which they plan to take their first class/es. (Example: Summer or Fall SEMESTER 2026 – 202630, 202710)

- **IMPORTANT: THE DUAL APPLICATION IS NOW LOCATED ON THE DUAL HOMEPAGE.** www.nwfsc.edu/dual. Click the Red Apply to NWFSC button for the dual application. **Students who do not follow these instructions will be completing the wrong application and be charged the \$25 Application Fee that is waived for dual students.**
- After submitting the admission application, the student should begin checking the personal email account they listed during the admission process for informative emails.
- For assistance with an admission application students should email: registrar@nwsc.edu
- Once the student is admitted, he/she will receive an email with his/her unique Raider Credentials:
 - Username
 - Raider Email Address
 - Link to set up their personal password and access Raider Email and Raidernet
- **For assistance with Email/Account setup students should email or call IT Support:**
 - support@nwsc.edu
 - 850-729-5396

NOTE: AFTER RECEIPT OF THE RAIDER CREDENTIALS ALL CORRESPONDENCE WILL GO TO THE STUDENTS' **RAIDER EMAIL ACCOUNT. PLEASE MAKE A HABIT OF CHECKING THE ACCOUNT OFTEN. ALL EMAILS ASSOCIATED WITH THE REGISTRATION PROCESS WILL BE DELIVERED TO THE STUDENT'S RAIDER INBOX FROM DYNAMIC FORMS.**

Step 2: COLLEGE READINESS/PLACEMENT TESTS – Minimum Placement Scores in Reading, English/Writing, AND Math are required. If placement scores from the SAT, Digital SAT, CLT®, or ACT are not available, students may schedule their first PERT test at one of the NWFSC testing centers. The test can be scheduled through the online scheduling tool on the testing webpage. A student's first test is FREE. Scores are valid for two years.

- Use the link to access the testing page and schedule a test online. <https://www.nwfsc.edu/testing-center/#placement-tests>
- Students who choose to use the CLT® to meet College Readiness will need to take the CLT® 11th-12th Grade to demonstrate College Readiness (CLT 3-8 or CLT10 not accepted).
- Students who take the PERT at NWFSC are responsible for providing the score report to their counselor.

Step 3: MEET WITH THE SCHOOL COUNSELOR – School counselors help guide students in their selection of courses. A student's first priority is to meet graduation requirements.

- High School Students will meet with their high school counselor to determine the appropriate courses.
- Students in grades 6-8 will need to meet with their middle school counselor or the district designee.

Step 4: MEET WITH AN ACADEMIC ADVISOR AT NWFSC – The Advisor will assist students in understanding how their course selections apply to their degree program, the Associate in Arts (A.A.).

It is recommended that all dual students meet with an Advisor at least once per term of enrollment.

- Advisors will assist students in the understanding of DEGREEWORKS and how to use it to track progress toward degree completion.
- **To schedule an appointment with an Advisor, access the advising page <https://www.nwfsc.edu/advising/>.**

Step 5: PREPARE FOR REGISTRATION – Students will use the CLASS SEARCH to locate classes that fit their schedule.

- Schedules are term-driven – Summer or Fall SEMESTER 2026, etc.
- Students can begin looking at the CLASS SEARCH to identify classes that would work for their schedule. Students will need the Course Prefix/Subject and Course Number for the courses they wish to request (ENC 1101). This information will be entered on the Course Request Form designated for the student’s particular high school or District. All forms for spring will be located on the Dual Enrollment Forms webpage. <https://www.nwfsc.edu/dual-enrollment-forms-spring-2025/>

TIPS FOR SELECTING CLASSES:

- When selecting your classes it is recommended that students choose Session 1 Classes that are 16 weeks long. Example: for Fall 2026 Session 1 Classes begin August 17, 2026 and end December 3, 2026. Any dates different from these will be mini or accelerated terms.
- Double check the Campus to ensure the class is held in a location that is best for your schedule (Niceville, FWB, DFS, etc.).
- When choosing an Online Class, remember attendance matters. Many online classes have a week-one assignment that serves as the attendance verification. If students fail to complete the assignment, they may be dropped for non-attendance.

STEP 6: COMPLETE COURSE REQUEST FORM – Forms will be accessible approximately 3 weeks before the start of registration. Students will go to the **DUAL ENROLLMENT FORMS** page on the Dual Enrollment Webpage and select the form designated for his/her school or District. (Example: A student who attends Walton High School will select the Walton County School District Form). [FORMS PAGE \(https://www.nwfsc.edu/dual-enrollment-forms-spring-2025/\)](https://www.nwfsc.edu/dual-enrollment-forms-spring-2025/)

- **Students may begin submitting Summer Fall 2026 Course Request Forms on March 23rd at 8:00 a.m.**
- When registering for multiple terms (summer and fall) separate form is required for each term.
- The student will be required to use his/her Raider Credentials (email address and password) to access all forms through Single Sign-On (SSO). Due to the use of SSO, students do not create a Dynamic Forms Account.
- Once the student has been verified, the student’s name, date of birth, and Student ID Number will populate in the form.

- Students must enter all required fields on the form.
- **Students should enter a valid email for the parent who will be responsible for signing the form during the approval process.**
- Students will be required to e-sign the form. When the form is signed by the student and submitted, it will move to the next recipient, which is the parent. It is the student's responsibility to manage the form in the event the parent's email is entered incorrectly. Students can access their form through the links in the registration emails from Dynamic Forms and manage participants.
- The parent listed in the form will receive an email requesting a signature. Parents will log in if they already have a Dynamic Forms account or create an account before signing. To create an account before receiving an email use this link: <https://dynamicforms.ngwebsolutions.com/>
- Once the parent signs and submits the form, it moves to the Counselor dashboard, and the counselor is prompted by email to sign the student's form. **If parents fail to hit the SUBMIT button the form will not move to the next participant.**
- The counselor will enter the student's cumulative unweighted high school GPA and placement scores. Once the counselor has signed, the form is pushed to the Dual Enrollment Dashboard for processing. NOTE: the parent serves as the Counselor for Home Education and PEP students.
- Students will be notified regarding the status of their request in an email from noreply@nwfsc.edu or they may access their dashboard and read comments made on individual forms.
- Parents and counselor receive a Carbon Copy of the student email when a form is completed by the Dual Enrollment Team.

STEP 7: PREPARE FOR SELF-REGISTRATION – Students will be registering themselves when the registration window opens. In the interim, students should watch the videos prepared by Student Success, to better understand the steps when they begin the registration process. Students and parents are also encouraged to complete the Dual Enrollment CANVAS Course.

Watch important videos: The following Videos may be found by clicking the link below:

<https://www.nwfsc.edu/student-success-navigation-videos/>

- Raidernet Welcome Page Video
- Student Profile Video
- Degree Works
- ****Registration and Planning (DO NOT ATTEMPT TO REGISTER WITHOUT WATCHING THIS VIDEO)**
- Student Billing – not applicable to Dual Students

Take CANVAS COURSE: <https://nwfsc.instructure.com/courses/10337>

STEP 8: FORM PROCESSING – During this step, the Dual Enrollment Staff will perform multiple steps that will allow the student to self-register when the registration window opens. For Spring 2026, the processing window will open when the forms become available to students. Spring forms will open on October 20th at 8:00 a.m. During this step, as Course Request Forms are received, the Dual Enrollment Staff will:

- Verify the High School GPA provided by the school counselor/parent counselor
- Verify the placement scores provided by the school counselor/parent counselor
- Remove holds that prevent the student from self-registering
- Enter overrides for the Courses the student is approved to take (counselor-approved)
- Complete the Request Form and enter appropriate comments into the Dual Enrollment Comment Box. These comments will populate in the email to the student and will be viewable on the forms' dashboard.

Example of Comments: **“Your form has been processed and you are now cleared to SELF-REGISTER IN RAIDERNET for the [XYZ] Term starting at 12:01 a.m. on 01/02/03. If you are having issues registering, please reach out to Student /Success Navigation by phone or chat. Chat can be accessed from the nwfsc.edu webpage or phone: 850-502-2895.**

Things that might prohibit a student’s ability to register:

- The student failed to complete an Admission Application for the term in which they are trying to register.
- The student doesn’t meet the High School GPA or Placement score requirements.
- The student doesn’t meet the College GPA.
- The student failed to upload AP scores, the Home Education Compliance Letter, or the PEP Scholarship Award Letter to the Course Request Form.
- The student is missing a course prerequisite.
- The student is attempting registration for a course that has not been approved.

If a student gets the error message below, they should go to the Admissions page, click APPLY NOW, and complete an Admission Application for the term they have requested courses for, (i.e. Summer or Fall 2026) and then attempt registration again.

STEP 9: “I’M CLEARED TO REGISTER”... WHAT’S NEXT - WHEN A STUDENT IS NOTIFIED THAT THEY ARE CLEAR TO REGISTER, THEY SHOULD USE THE CLASS SEARCH TO LOCATE SPECIFIC CRNS FOR THE TERM OF REGISTRATION – Students will use the CLASS SEARCH TOOL to locate CRNS (Course Reference Numbers) for the classes they wish to select for their Summer or Fall 2026 schedules based on the time and days of the week they are offered. The student will use these CRNS when adding classes to their schedule.

[CLASS SEARCH](#)

STEP 10: SELF-REGISTRATION THROUGH RAIDERNET – Students WHO ARE CLEARED may begin registering themselves on **April 13th** for the Summer and Fall 2026 Terms. Students will have until the end of each sessions’ drop/add period to make schedule changes.

- Summer 2026 classes begin on May 13th, 2026. Drop/Add Period for Sessions 1 & 2 closes on May 20th
- Fall 2026 classes begin August 17th, 2026. Drop/Add period for Sessions 1 & 2 closes on August 24th.
- Students may refer to the Registration and Planning video on this page for assistance with the registration process or contact a Student Success Navigator: <https://www.nwfsc.edu/student-success-navigation-videos/>
- It is highly recommended that a student completes a schedule and makes minimal changes to their schedule to avoid losing seats in classes they want.
- To contact an Academic Advisor go to <https://www.nwfsc.edu/advising/> and click CHAT, email studentsuccess@nwfsc.edu, or call 850-502-2895.

STEP 11: VERIFY YOUR SCHEDULE IN RAIDERNET: Students should be able to verify immediately that they have registered themselves for classes. In the event a student chooses to Waitlist for a class, he/she should check Raider email often for correspondence regarding the Waitlist option. Students only have 24 hours to accept a seat offer.

STEP 12: REQUEST CLASSES ON THE HIGH SCHOOL CAMPUS – If you plan to take a class offered on your high school campus, your counselor will provide you with the information regarding registration for these classes or they will request registration for you through our Mass Registration Form.

STEP 13: TEXTBOOKS – It is the student’s responsibility to visit the Barnes and Noble Bookstore on the Niceville Campus to secure required instructional materials at no cost to them.

- Students should never purchase materials.
- Books come in three formats: Hard copy, e-books delivered by email to a student’s Raider email address, and Access Codes (looks like a postcard). Please check your syllabus for guidance on the required materials.

STEP 14: MANAGING YOUR SCHEDULE – It is the student’s responsibility to follow all dates on the Academic Calendar and complete their own schedule adjustments through a drop, add, or Withdrawal.

Important information about Withdrawals and unsuccessful attempts:

- A student **SHOULD NOT Withdraw from a class before discussing with their counselor.**
- A student could jeopardize their high school graduation requirements by **Withdrawing from a class.**
- A withdrawal is an attempt of a class. ***The credit hours for a withdrawn class remains in the student’s total credit hour total each term.**
- Dual Students cannot retake classes to include those from which they have withdrawn or failed unless an exception is listed in the student’s school/district 2025-2026 Articulation Agreement or it is in the base 2026-2027 agreement (Item 22).
- **IF A DUAL STUDENT ACCUMULATES A TOTAL OF THREE UNSUCCESSFUL ATTEMPTS, THEY ARE NO LONGER ELIGIBLE FOR DUAL ENROLLMENT.**
- An unsuccessful attempt is a **W** or an **F**.

STEP 14: RESOURCES – All dual resources can be found on the Dual Enrollment Webpages (www.nwfsc.edu/dual)
